GATA TRAVELING (Continued From Page 1)
the Men's Glee Club—though he grumbled about it. Mr. Hopper granted a few minutes leave for the Campus Club to witness the "stitchy wonder of the world." Carroll Can-
mum got an excited left kiss from Miss Hanes's presence.

Seven attempts were made to slow down the gait. The melancholy voices of the party singing "I've been Working On the Railroad" harmonized beautifully with the sound of the little engine puffing. "I thought I could—I thought I could—I thought I could—and I did!"

Bisons Grab One From Bethel Nine

PITCHING IS GOOD AS WELL AS HITTING

Coming from behind in the 8th inning, Harding in a close fought battle gave them a Clark, lb, got on base by a Bethel error, and Which netted them four runs and a pass. Roe placed a successful steal of Smith l's. Wilson, shortstop for Coach Berryhill the game will be Brashear, if 4, lost. Nothing has been made as yet, but according to the yearbook there will be regulars there are points of Tech's 79, not.抱着 the Bisons score less.

Again our miler, Lowe Hogan, was beaten by the ritual of the past two years. Holding the Bisons score less.

At least, we had to come from behind in the eighth inning of the first game, and they emphasised on the second by a score of 8 to 3.

In coming from behind in the eighth inning of the first affair, the Bisons displayed a little hitting power. Taking advantage of a walk, Roe, Sears, and Harris hit single and double for the rally and winning the game.

In the second the Bisons needed the same kind of rallies but it were never scored. The only sign of its coming was when Norman Smith "bopped" a homer over the fence with Harris on, in the last of the last inning.

Happellings showed fine form in his relief role in Tuesday's game and got credit for his first victory.

However, he lost his third game the following day when Bethel beat on 3 to 2.
