SA COUNCIL MINUTES
October 15, 1963

The meeting was opened with a devotional.

The new members of the Council, Nina Stanford and Mike Moore, were introduced and welcomed. Rob Smith was absent.

Joel read a letter from Dr. Benson pertaining to the Christian College Conference and a letter from Joe Hacker expressing appreciation for the suggested lectureship themes.

Janie reported that Mrs. Goodwin has not opened the Recreation room in Kendall because girls have failed to remove things they have stored there.

Loverd reported that the Sunday lunch line problem has diminished.

Joel listed several projects that are in the making: The lost and found service; the Dolly Drive; the Talent Show; chapel programs—devotionals, student speakers, and a patriotic program; the tape recorder; help for the Negro girl; a general SA meeting; and the narrative record of the year's events.

The club project lists from the workshop will be sent to the club presidents soon. The SNBA and cheerleader sweater reports are almost ready to be sent.

Dr. Gilliam plans to have the results from the evaluation sheets of the workshop posted soon.

Jim Miller gave a report on Homecoming plans. Loverd is to see that the football team elects three candidates for queen Wednesday afternoon. Nominations for class representatives will take place Thursday in chapel, and elections will be Friday. Bob is to advise Jim about obtaining a crown for the queen. Jim is to see Mrs. Hart about having a special meal for the evening after the game.

Linda reported complaints about the bugs in the cafeteria. Mrs. Hart has said that nothing can be done.

Loverd wanted to know if a list of chapel programs couldn't be posted every week. The matter is to be investigated.

Mike suggested that there be an invocation before the football games. Dr. Benson is to be consulted.

Everyone signed a letter of appreciation to Mrs. Lawyer for the dinner which she had for the Council.

Bob asked about "sick list" which was posted last year. Its resumption is to be looked into.

Dr. Gilliam wanted to know how the programs for Homecoming could be printed since Professor Baggett is not certain that the band uniforms will be here in time for the band to perform. A telegram is to be sent to find out about them.

The meeting was adjourned.
