Open Letter From Our President

Dear Staff:

I want to thank you for the very fine letter of appreciation which appeared in the December number.

The marvelous loyalty of student body and faculty toward the college is, at this time of year, a matter for profound satisfaction. In the past three years there has been a continuous improvement in all phases of student body life, as a part of which the college is in a position to interfere with the enrollment for the fall semester in a considerable degree.

We have raised about $34,000 during the past three years to cover the principle of the mortgage, the interest on the mortgage, and the expenses of the college. While I have received some acknowledgment to this effect, the College Trustees have not been in a position to receive this acknowledgment in full.

In the first place, we have a great college with a wonderful reputation. This provides something which makes money for us and makes the work much easier.

In the second place, College Activities Day brings in some amount of extra money for the college.

I have not been able to read the December number of the Thornton, but I have heard from people of the college that it is well worth listening to.

Very truly yours,

Dean Bentley

Balde McDonald was elected editor, and Mable Dean, business manager of the Petits Jean for next year at the recent meeting of the junior class.

College administrators were made early so that the officials may work with the year's staff hands, L. D. Frash, editor, and Jack Wood, business manager. This will enable the new officials to adjust themselves to the work, which they must do with the least possible experience in this work.

The new officials are: Sales, N. A. Wright; Educational and Social, N. A. Wright and Mabel Dean; and Business, Milton Montgomery and N. A. Wright.

Next Bison Will Be Issued Jan. 9

This issue of The Bison will be the last edition before the Christmas holidays. Publication of a paper weekly would handicap members of the Press Club and interfere with the other work of the college.

Miss McFarland, the assistant business manager, will preside at the monthly meeting of the Press Club.

A. W. Bennett, Rabun Dummy, R. S. Duren, and R. J. Hood are the new members.

Bass Harris, Bear, Quarterback, $3,000. Bass Harris was the star man in the conference. Many of the boys long line and touchdowns were attributable to his efforts. He is the best running back in the league. Many of whom have had success of the undertaking.
