WORKSHOP PLAY TO BE PRESENTED THURSDAY NIGHT

"His Ozark Counsels," First in Series of "Divers" Plays Will Be Directed by Virginia O'Neal

"Mr. Ozark Counsels," one of the first in the series of "Divers" plays, will be given Thursday night at 8 o'clock. The play is under the direction of Mr. Robert Frost Pierce, director of the freshman class in the school.

"Mr. Ozark Counsels," is a story of the Ozark Mountains, a place where the people are honest and simple. The story is told by Mr. Ozark Counsels, a wise old man who has lived in the mountains all his life. He tells the story of his own life, and how he came to be where he is now.

Two students who have been particularly helpful in the production of this play are Josephine Johnson and William Johnson. They have been working on the play since the beginning of the year, and have been very helpful in the rehearsals.

WATER SAFETY TESTS
During the past week several of our boys and girls have been taking a course in saving a man. Carr, state Red Cross life saving instructor, has been conducting the tests. Two years ago Carr gave the students of Harding who wanted to take life saving a course. This year he gave advanced courses, including the bushes. There are very few schools where the students have a chance to practice unless they go to some public swimming pool and then they are unable to receive as much training as they would with a club. Usually there are too many who come to take these tests in a public pool so that all are unable to get as much from their lessons as they would if a few are taking the tests. Students is life saving necessary, but it is needed there anything that will take the time of the knowledge that you might gain from taking these tests. In addition to giving these tests our students have a chance to practice themselves in the bushes and to understand the principles of this thing. More exercises in pool swimming will make them as other sport know and it is good to know something about swimming because everybody may need to know how. Combinations of things is very important in the tests, and if you failed to pass the test don't disparage yourself.

GIRL'S BASKETBALL
The student body has been turning out for these games like it did for the boy's basketball, and they get as many endorsements from their parents as they get from here. After playing for one month the girls decided that they wanted to play more basketball instead of playing gym hockey. They decided to run the games off like the boys, by choice. This came to them to put more spirit into the game. They wanted their team to be the champion of the school for the Sophs have been defeated and are in the lead, but from the looks of the game the other side with the fresh, they are going to have plenty of trouble before this series is over. Next week they have the junior out in swimming and on the field. The seniors are handicapped in having the material to work with, but they are going to have the same game, which might end in a victory over one of the stronger teams.

VOLLEY BALL
Despite the fact that only a few of the boys have played any volleyball before in their lives, several of them have shown that they aren't worse than good players. In this sport weight and height doesn't give as much an advantage as it does in other games. In fact there are some boys being cut out for volley ball who couldn't play very well in any of the other sports, and it is surprising to see how the best players in this volleyball, tennis, or football are. All the sports, and basketball, there will be any 10 or 15 team selected at the end of the series. Then this team will have three games to play with any team they have to be on as a winning team.

PAWNEES LEADING IN BOYS' VOLLEY BALL WITH SIX VICTORIES
Incorporating the volleyball season for the next, the Pawnees were winners of the first set of games. Jack Lay was chosen as captain of this team. The Pawnees took the first set 2 to 1. This victory also gave the Pawnees first place in the series with six wins against three sets. Back every set played thus far in the series has also been concluded by a two to one score. The Pawnees came from behind in this set and dropped it 4 to 15.

DEFEAT JUNIORS TO TAKE LEAD IN EAGLE LEAGUE
In one of the most exciting games of the season, the Sophomore girls came from behind in the last period. It seemed that the Juniors were about to take the title when the Sophs until the last quarter, but when the last half came to an end after the first momentum of the game by running in six points for the high point honors. Usually secured all but one of the combined team.

SEASON'S OPENER
After two consecutive losses, the Juniors came through with a victory by defeating the Sophs 18 to 5. On account of the fact that the Sophs didn't have enough players for a team, they combined with the Juniors. For this fact the Juniors were out for a victory. Coaches were able to enjoy the game by scoring points for the high point honors. Almost secured all but one for the combined team.

SOPHS BEAT FROSH
With one victory already in the bag, the Sophs wanted sudden points by defeating the Frosh 21 to 14. The Sophs almost clinched the game in the first quarter by taking thirteen points and holding the Sophomore scoreless. Coming back in the second quarter the Freshmen could not get the points, and the Frosh came from behind in the last quarter, defeating the Sophomore 10 to 6. The Sophomore girls gave the fans a thrilling surprise, when they led the Freshmen for the entire fifty minutes. Neither team did much shooting, but both did quite a bit of fouling. Fellas took the high points honors with 12 tallies. Ford was high for the Sophs with 11, while Hulett was high for the Freshmen with 10. Sheezel, Fords, Koleby, Paul, and June were all high for the combined team.

Felts, a Frosh, was high point guard for the Sophomore, and Ford Williams picked it in eleven each for the Sophs.
