Grades for the first six weeks of the winter quarter have been announced, and with them went the regrets of a large number of Harding students who received Cs or Ds instead of A's or B's. The first six weeks were for some of the lowered grades. A roommate who goes out of her way to help you is one of the things in this world that we should do. Not in the spring, but now, you can get the help you need.

I like the way it's set up.

Pluto McGill Takes A Stab At Skit Writing

Hearing having heard a number of comical skits on the radio, skit writer Pluto McGill decided to give the matter my attention. After some intensive snooping (as it is keyed) I came to the conclusion that "the great plume of mice and skit writers goes up to a microscope." By being bitten by the bug while snooping, individual gag has been played upon just to prove that I am a reporter who can write and has a sense of humor.

The characters are two Kripling boys who are suffering from the disease that they have a Hit every year. The time is 7:30 Tuesday night right before the contestants are to enter the stage; not enough to win, and at least we don’t want to lose.

"And after all the time we put in it, too. I missed the checker arrangement in that Charlie Wilson’s from the other side so we could finish it. But it ran away, and I bet we win next time. I’ve got a swell idea for a plot..."

All-star Selection
For Girls Cage
Season Made

Seven Girls Chosen
First Team

Saturday night marked the close of the girls' basketball season. Terminating the season was the all-star selection made by Miss Allen and a committee consisting of her. After much consultation first and second teams were chosen, five players being selected for each berth on each team.

All of these girls deserved the honor for which they were chosen. When the game got under way they were there battling it out for their team so that they might win the championship for their class, besides working for a place on the all star team.

After the season was over under there was a fight as to who was going to be the winner, and school champion for this year. The best game that was played between the soph and frosh was played in 19. In 18 and 17 lots. It was a matter of both teams batting it out, because if one of the other ways that would be turning point as to who was going to be champion.

There were many good players but all couldn't be selected as all-star. The following selections were made as to the teams.

MURIEL L. WILLIAMS, Forward: \(V\) EHHNE HURFORD, Forward: \(W\) ALLAYA FLOYD, Forward: \(F\) RANCIS WILLIAMS, Guard: \(V\) OLEH NICHOLS, Guard: \(T\) ELLA JOHNSON, Guard: \(W\) HENRY BERRYHILL, Center: \(C\) WALTERS, Center: \(J\) "Chief" GANUS, Forward: \(F\) PATRICK, Forward: \(R\) BARBER, Forward: \(B\) DORIS HARRIS, Guard: \(D\) AMIE HARRIS, Guard: \(L\) LUCY HARRIS, Guard: \(A\) MOLLIE HARRIS, Guard: \(H\) DONALD HARRIS, Guard: \(G\) LEE HARRIS, Guard: \(E\) SYLVIA HARRIS, Guard: \(N\) "Pepper" HARRIS, Guard: \(S\) BERNICE MURPHY, Guard: \(T\) ANNA MURPHY, Guard: \(S\)

Due to the fact that all of the sport pleasure have to be in to the making of the intramural games must be played off before that time so that we can get the winners in the all-star selection made by Miss Allen. The team that these matches can not be controlled but at that time, and these sports will not count on the intramural points in the years award.

SWIMMING

Friday and Saturday of this week there will be a swimming meet held between the four college classes. Some of the classes have been collecting their men to represent them in the meet. These classes haven't already done this are asked to do so as soon as possible, so that things can be straightened out for the meet. The teams seem to have an edge over the others three classes, but the junior aren't so far behind. The soph and frosh classes are setting out to win. The seniors have "Fast" Prysz, "Curly" Lachles, Hodgin, Hopkins, and others. There may be several in the soph and frosh classes that who bet that they will be going to give some of those seniors a good scare. The junior have an easy time some trouble. With the sophomore classes going on there should be some in it who will give some of the seniors a good scare. Be sure to get your team together and select your team not later than Wednesday.

BADMINTON

The singles for the championship were played by February 27. Following series was played by February 15. With Lay leading the Pawnees began to work harder and their efforts were shown in the final game to overcome his opponent. Lay won the championship of the boys' volley ball league from the hard-fighting Comanches. The Comanches gained the right to play the Pawnees in the final series of games after the boys' volleyball team defeated the league leading Pawnees two of three games. This loss threw the Pawnees and Comanches into a tie for first places and kill the championship in the fall semester. Earlier in the week the Pawnees had strengthened their hold on first places by defeating the Apache two games to one.

All was looking "gay" for the Pawnees as the other redmen, Choctaws, appeared. They put up a good battle but just failed to get enough on the ball to defeat the front line men who proved to be really on the warpath.

Both teams showed good playing in the play-off. The Pawnees won at a disadvantage from the start when Captain Lay and Bernardino called up above until the first game was practically lost. The Comanches won the final game of 15 to 3 With Lay leading the attack the Comanches began to work harder and their efforts were shown in the final game to overcome his opponent. Lay won the championship of the boys' volleyball team from the hard-fighting Comanches.

In the final interclass offered to the girls will be featured by the girls working for awards. It would be impossible for all the girls to enter all of these first series. The intramural points that were written for the intramural points could either be used by the Intramural Points Committee. The Comanches and Pawnees were the only teams to count in the Intramural Points Committee.
