SA COUNCIL MEETING

February 11, 1964

Pictures of the members of the Cabinet and the Executive Council were taken for the PETIT JEAN before the meeting.

The meeting was opened with a devotional.

Rob Smith and Bob Brewer had to leave early.

Joel welcomed Jimmy Arnold, the new vice president of the SA Executive Council.

The question of prayers in the cafeteria was discussed at length. The Council voted to maintain the status quo. Mike Moore is to see Mrs. Hart about having boys from both lines selected to lead the prayers. He is also to urge cafeteria personnel to be very mindful of their important responsibility regarding the prayers.

A list of proposed election rules which Joel had drafted was passed out for study and discussion at the next meeting.

Joel has been considering asking Sam Sewell to act as Chapel Chairman, but Sam will be practice teaching this semester. An appointment will be made later.

Several things are to be studied this semester--two of them immediately: Linda Lee is to be chairman of a committee to study the question of dating to the downtown church. Loverd Peacock and Mike Moore are to work with her on that committee. Nina Stanford is to be in charge of the bulletin board.

The whole Council is to study the matter of improving academic conditions on campus. For the next month or two, most of the time of each meeting will be spent on this matter. Joel will head a committee for study of orientation. Various Council members will help from time to time, and freshmen will be consulted also.

Jim Wilson will chair a committee of class officers, past and present, to study class organizations. Jimmy Arnold will replace Tom Kirk as chairman of the all-club-president committee (Interclub Council.) That group under Jimmy will study certain problems relative to social clubs.

Jim reported a request from Randy Robinette on behalf of Circle K that they be considered if the need for any money-raising service should arise.

There will be a general SA meeting some night as soon as the auditorium can be scheduled.

Glenda reported a suggestion that programs be printed for the basketball games. The matter is to be referred to Jim Miller, the Bison Boosters, or Circle K.

Jim reported complaints that the free play situation in the gym is worse than ever. It was recalled that Dr. Olree has stated that he is doing all he can, and the situation cannot be improved. He has even asked that faculty children not play in the gym unless specifically scheduled to do so.

Next week's meeting will be a rather long one. Everyone should keep Tuesday nights from 6:00 to 7:30 reserved for SA business.

Joel requested that if anyone must miss a meeting or Council activity, to please let him know in advance.

The meeting was adjourned.
