BOWL: evenly fought with neither fighter keeping him from outboxing Carlon week, and champions in all divisions they expected. Several of the bouts there will be little boxers fought a hard, clean fight. B. Defeo outpointed Bill Stokes, 6-2.

On Johnnl -e points for the decision. matches are as follows: Lynn Buff defeats Clark Stevens, number one who pinned him in the first round.

Clark Stevens, one of the best boxers of his grade, was defeated in the first round. Clark has fought in several matches in Texas. He has seen his big day when he had to go into the ring again and again. Anyway the last part of the game in the ring will show whether we have a good mauler or not.

TENNIS: Tennis singles play under way with plenty of pep in the first part of the week, and it is proving to be one of the best tournaments held here in a long time. Last year the singles were won by Jack Franklin.

Clare Stevens, number one this week in the junior tennis class, has played in several tournaments in Texas. He has seen his big day when he had to go into the ring again and again. Anyway the last part of the game in the ring will show whether we have a good mauler or not.

Elvis "Preacher" Roe left last week for B. Fairbanks, Florida, to join a spring training with Carl, Louis Cardinals. "Preacher" is one of the best baseball pitchers that ever went out on the mound for the Red Sox. In one of the games against Tech, "Preacher" struck out five men out of four bases. Because he is a good pitcher "Preacher" is taken on the road trip. The best of the "with" that "Preacher" makes good because he is one of our boys. We are proud of "Preacher" and all the other boys.
