SA COUNCIL MINUTES

March 3, 1964

The meeting was opened with a devotional.

Cabinet members had been asked to be present at the first of the meeting. They were requested to be present at the front of the auditorium for the general SA meeting Thursday night. Also, Dean Lawyer has asked that SA members who do not have classes meet Saturday to eat in the dining hall with a group of students who will be visiting from Harding Academy at Memphis. After these announcements, the Cabinet members were dismissed.

Letters from Dr. Benson and Dean Lawyer which expressed approval of the proposed election rules were read to the Council. Joel noted that no provision had been made for write-in candidates; but the Council decided to make no change in the rules as they stand.

Joel repeated the announcements about the general meeting and the visiting students to the Council. The general meeting is to be Thursday night; the details of time are posted on the SA bulletin board. The letters from the Stapleton family will probably be read and then posted. Members of the Council were requested to be ready to participate in discussion.

The cinemascope question cannot be acted upon until Ron Butterfield obtains information about possibilities and costs.

Joel has drafted a letter to Dr. Benson requesting that Linda Lee, Jimmy Arnold, and Loverd Peacock—in addition to the regular student members of the Student Affairs Committee, Janie Miller and Bob Brewer—be allowed to meet with that group for discussion of the topics mentioned last week.

Loverd read a letter from the John Fitzgerald Kennedy Library requesting funds. Joel is to refer the letter to Circle K.

Nina was commended for the excellent job she has done on the SA bulletin board.

There followed a continuation of the discussion of academic improvement. This discussion is still to be continued for several successive meetings.

The meeting was adjourned.
