SA COUNCIL MEETING

March 30, 1964

The meeting was opened with a devotional.

Bob Brewer, Jim Wilson, Mary Ethel Bales, and Rob Smith were absent.

Joel reported that the collection taken in chapel for the Stapleton memorial amounted to \$260.65. Added to this will be \$60.00 surplus from the money collected for flowers for Mrs. Stapleton's funeral. The faculty and alumni have not yet contributed.

The question of a constitutional amendment concerning the office of vice president was discussed shortly. The Council voted to drop the matter.

Dr. Benson has authorized the SA to ask someone to come here and estimate the cost of a cinemascope screen and projector.

Nina reported a suggestion that the dormitories have a couple of Sunday afternoons set aside for open house. The Council voted to ask Dean Lawyer for permission.

Joel received another letter from the John F. Kennedy Memorial Library. Since Circle K has declined to take up the matter and since the Council felt that opposition to any more collections would come from the Administration, the letters are to be filed.

There followed more discussion on academic affairs, specifically the function of extra-curricular activities. The discussion is to be continued further at next week's meeting.

The meeting was adjourned.
