World Famous Director Has Varied Experiences

Bohumir Kryl, former orchestral conductor and acclaimed to be the greatest of concert leaders, will conduct his symphony orchestra in the concert that is scheduled for the afternoon of October 6. The concert will be heard at Harding all week next.

Kryl, a Bohemian by birth, has had an unusual and varied musical career. Beginning as a concert pianist and conductor with a European circuit, Kryl later entered the University of Indiana where he earned a degree through his abilities as a pianist. He was then engaged in the music department at the University of Chicago for Lew Wallace when John Philip Sousa heard his symphony orchestra, and offered to visit the showroom and conduct the lst and 2nd grades; several years later Sousa heard his symphony orchestra in the auditorium. After several years' residence in Cuba during the Spanish-American War, Kryl looked forward to another coast-to-coast tour, has played in Little Rock previous mayor of Searcy, part of the state, the farthest appearance.

Seniors Defeated By Freshman In Local Contest

The freshman class defeated the seniors 36-22 in the annual regatta held in the West Infirmary, September 27th. The contest was sponsored by the Elks' Alumni Association, and the proceeds will be used to support the senior class. The regatta included a variety of races, including the traditional boat races and the popular tug-of-war competition.

Red Bluff Place Of Junior Outing

Red Bluff was the place of the junior class outing, which was well attended. The outing was held near the school, providing a nice change of scenery for the students.

McDaniel Announces Annual Staff

Mabel Dane McDaniel, editor-in-chief, initiated the Petit Jean drive for the current year. She stated, "With such a staff as this year's, we expect to produce the best annual in the history of the school." That is a high aim and is not to be put into practice.

Speaking from a financial view, Mr. McDaniel stated, "We hope to sell more Petit Jeans than we have sold before. Every student should feel that this is his own annual and should want to have a part in it.

"You will have to find a very selected spot if you shad the circu

A four-year curriculum in physical education for teachers has recently been established in Adams College, making it possible for high school graduates to complete their college education in four years. The school is unique in that it is the only one in the state of Arkansas to offer such a program.

Fragments

If one has the power to imagine, the rest of the world would not otherwise be possible. The power to imagine is the key to all great discoveries, and to almost what we call genius. It is the power to imagine the impossible.

Here are some illustrations: If you imagine a world without time, there is no need to be concerned about the world as we know it. If you imagine a world where there are no rules, anything is possible. If you imagine a world where there is no pain, there is no reason to be afraid.

When we close our eyes and imagine, we can be anywhere we want to be. We can go back in time and see things we never saw before. We can travel to distant lands and meet people we never met.

So many possibilities await us. We can be anything we want to be. We can do anything we want to do.

Henderson State Teacher College has been the best school of the 21st century. This is because the school has been engaged in a mission to provide a quality education to its students.

One thing only is certain and that is nothing is certain. If it's true, it is false.

The Science Museum at Kensington, England, has the earliest of the well-known developmental models of a human being in its collection. It was begun in 1843.

The Henderson Cranial School, which is more than a nameless school, is the one school that was established because of the demand for a place where people could study and improve their lives. Because of the demand, it became a place of excellence.

The most important task that the school for the children of the world must accomplish is to educate all children. To do this work, the school will have to be open to all races and all classes. It is a noble task.

Redeemers are generally wholesome, clean-cut, and virtuous who would not enslave a country simply for personal advantage. Jesus called them "the sons of God." Then, we look at the situation with these holy and righteous ones and see how we can serve them. Christians are designed to be able to control evil and protect the little ones, and to plant and cultivate the divine nature in them.

Jesus said, "love your enemies, and pray for them that persecute you, that ye may be sons of your Father who is in heaven.

"And we are partakers of the divine nature. Truth, Backstage will appeal to you because Backstage is a place where you can find something to read that is meaningful, and because Backstage is a place where you can find something to think about that is important.

After four days of play, the boys' softball teams have begun to show their weak and strong points. With this very decisive victory scored under their belts, the strong Card team has taken off on a fine start toward a championship.

The Cards, having scored a double, the best fielding team is the contest. With the break-up of the Reds and the rearrangement of the players of that team, the Cards gained backer Floyd Church, who should prove a valuable addition.

The defense of the season should make this year's softball season a success. Every game so far has been a rather solid and clean affair. Unless some unknown talent develops in the batting line, batting averages are likely to be high, and the best fielding team will be the one on top.

Mu Etta Adelphians Give Scavenger Hunt For Girls

Team Deshanded;
Softball Schedule

Approximately a hundred girls met in the dining hall during a Saturday night at 7:30 for the Mu Etta Adelphan Scavenger Hunt, a yearling for entertainment for the new students.

The girls divided into seven groups, headed by teachers or seniors. Each group was given a list of several articles to be gathered from the campus. This was awarded for the first group to return with the articles. A second prize was awarded those returning the articles first. The group led by Mrs. John L. Dykes was first prize. Helen Larkins' group returned their articles first.

While the girls regained their seats after the dance, Mary Agnes Brown played the game, and led the group by Mrs. Florence Jewel, sang familiar tunes, such as, "The Merry We Go Round," and "Put on Your Old Gray Bonnet."

New Members

An honor extended to several of the girls who attended the first year was the invitation to become members of the different social clubs.

Those receiving invitations were: Margaret Adams, Jane pineapple, Nancy Hall, Mildred Brown, and Mary Clay-Goza. Dora Clark-John, and Gwinnie Turner-L. C.
