Packers Continue Winning Streak; Win Over Giants

Undeated Teams Play Close-13-6 Game

Serving twice in the last half, the Packers barely scored out the Giants 13-6. The game was live and pickled with thrills from beginning to end.

Opening the game, the Giants kicked off to the Packers, who failed to gain ground either on their first or second chances for running. The ball went from one team to the other, with the Giants clearly pressing closer to the Packers’ goal.

Bill Landrum, Giant, threw a pass from scrimmage to the end zone to the first points of the game. The extra point failed.

Throughout the game both teams played hard, and each did well. The Giants played well in the first half, but at half off the Packers gained the upper hand in the first half. On the last down for the Giant, Lay started around the line and slipped to one knee, got up, and turned a touchdown pass to Jack Fisher, who was in the open end of the field, and took Landrum’s pass to score the same 13-6. The extra point failed.

Playing the last half in the Giants section of the field, the Packers slowly forced the Giant back to their goal. Then Lay threw a long pass to Spencer, who lateraled the pass in the air to take it off the fingers of Giant and Cleve. The extra point was good.

This concluded the scoring, for when the whistle sounded ending the game, the Giants were 30½ yards backing at the door to pay the price. Jack Lay and Don Spencer stood out in the game for the Packers. Nothing in the Giant game was gimme pass, and combining their teams, the Giants played good ball, proving once more the Giants’ vintage polish.

Bears Defeated By Giants By Score Of 25-0

For the second time this year, the Giants towered the lucky Bears, this time to the tune of 25-0. Handpicked by having only six men, the Bears held the Giant to 13 touchdowns during the whole first half. Landrum passed to Giant for the first score of the game.

Filling themselves in the second half, the Giant woke up and swatted all over the Bears. Play after play, run after run, advanced the ball deep into Bear territory. Then Landrum again dropped back and shot a touchdown pass, this time to Carter.

Rooping the Bears dead in their tracks, the Giant aimed themselves down the field. Greenway, Giant back, ran down the center of the field and faked in Landrum’s pass to make the score 14-0. The extra point was made in the same manner.

First-half, Giant Giant, R. F. Timmons took thirty-five yardback from behind blocking to score the last touchdown. He dodged out of Bear’s arm, but made it to first untouched.

Bill Landrum, another diminutive Giant back, was the outstanding man in the game. His superior blocking, nose-riding, and running, kept the Giants in enemy territory throughout the game.

Bison Sports

BY LOUIS GREEN

FOOTBALL:

Cold wintry weather does not suit the boys, as to have cooled off the boys all for football, because the players have contracted pneumonia and must be out of the cold.

Specer, Bean, and Lamont are the finest men in the game and they provide a reliable lengthen target for a pass throw. The chief packer tuner, however, is Jack Lay, who is a virtual one-man cyclone on the football field. He boots the ball long and hard, fine long-distance passes, snaps passes with magnetic Fitzgerald, and runs efficiently and as swiftly as a deer.

BASKETBALL:

There has been some talk of an Alumni vs. varsity game this Thanksgiving. Two years ago laid such a game and interest was high. It was a good game, too, even if the varsity boys were beaten from from the old end. There are plenty of stars among the Alumni to make it pretty rough for any team that might come on the court. I would say this game established as an annual affair. What do you say? Having boys gives it a try.
