S.A. MINUTES

December 15, 1964

The council had a short devotional.

The minutes were approved.

Dr. Gilliam was not present.

Dave asked for a report of the Emerald Room committee. Eileen said that she and Mrs. Puckett had looked at some used furniture which the college had in various storage rooms. Some of it could be repaired and we used if we would like to do this. Most of the council felt that we should be rather selective for restoring old furniture could be a bigger job than it is worth. Dave said he would work with Eileen and Hollis to formulate very definite plans and a delegation of the jobs to be done so that the room could be in operation by the beginning of second semester if possible.

Dave asked the council if they had new business they wished to discuss now.

Hollis said that he felt there should be general equipment in the gym for general use. Dave said he would talk to Mr. Olree.

Kathy mentioned that a boy's record had been ruined at the information booth at the beginning of school and she asked if it had been paid for. Jim said he would find out.

Hollis suggested that the boys' dorms needed a quiet hour. Jim commented that phonographs and slamming doors were a pain. Dave said he would discuss the matter with Mr. Barnes.

Dave thanked the council for their cooperation on the Christmas project. Everyone's help had made it a big success.

The council adjourned to box up toys and dollys for the Orphan Homes.
