S.A. MINUTES
February 23, 1965

After the devotional the meeting was called to order.
Darwin and Jim were not present.
The minutes were approved as posted.

Dave reported that Mr. Tucker has approved another telephone
in Kendall Hall. All he wants to know is where is the phone to be
installed.

Dave's comments of the Emerald Room: He explained how to use
the volume regulator for the speakers. He said that some new card
tables were needed also a supply of paper and pencils for the games.
He also mentioned that Donnie Thompson had volunteered a TV for the
room. Finally, Dave asked the council to make a decision concerning
the Academy students using the room. The majority of the members
voted to let the Academy students use the room also.

A contest to rename the game room was discussed. Class officers
(president and secretary) would judge the entries.

The council also discussed the problem of food in the Emerald
Room. No glasses or dishes from the Inn will be allowed. Other
policies will not be made until a need to make such arises. Dave
said he would make this announcement in chapel.

Dave reported that Mr. Becket would soon have the grades tallied
so that the club winners of the academic trophies could be determined.

Dave congratulated the council members for their good grade points.

Dave said that Dr. Moore had requested the S.A. to suggest persons
to enter the AIC Talent Show. These names were suggested: Synette
Hubbard, Dan Smith, and Anita Smith.
Terry Smith is in charge of the Youth Forum on March 5. The S.A. will host a reception for the students at 8:30, the evening of March 5. There will be entertainment and refreshments.

The S.A. is sponsoring the Creative Contest (posters and poems) on missions. The contest will be March 2-20. Plans are being discussed by the committee to have the poems published.

On March 19 the opera "La Bohème" will play. Dr. Moore has suggested that the S.A. request a dress-up supper for the evening. The council decided to not make the request, however, since many students do not like getting dressed that early before the program.

Ken suggested a chapel program designed to encourage students to run for an S.A. office. This will be discussed further later.

Doris reminded the council to be thinking about our program in honor of Dr. Benson.

Dave announced that Bro. Black will speak to the council next week and that Jimmy Arnold will speak at the meeting two weeks from tonight.

Eileen reported that she had asked Mr. Tucker about putting hooks on the wooden panel in the dining hall. He said the paneling was not strong enough to hold the hooks and coats but that he would have two new racks built to hang coats on.

Dave asked the council to continue to make their suggestions and write down rules which would be helpful to the Rule Clarification Study.

The meeting was adjourned.
