SPECIAL MEETING OF
S.A. COUNCIL
Sept. 9, 8:00 a.m.

Dave called the meeting to order and asked Dwayne Van Rheenen to lead in prayer.

Dave said that Dean Pryor has made arrangements for the council to register first.

A table will be set up outside the library for serving the refreshments in registration line. The S.A. workers will pass out the information forms while students wait in line, and someone working inside at a table will take them up.

Dave reminded us of the two mixers tonight.

Men reported on the program for the watermelon party. He said that the entertainment was still uncertain. (See Ken's folder on the party details.)

Name the baby bison contest will be officially launched at the watermelon party. The council decided to have the deadline as 9:55 p.m., Sept. 20. We will ask the BISON to help us publicize it. The winner will have his picture made with the baby bison and placed on the front page of the BISON! A box will be put in the Student Center where students will place their name entry and a short statement as to why they chose that name. The council selected these people to serve on a committee to judge the name: Dr. Gamus, Loverd Peacock, Morgan Outlaw, Vicki Mitchel, Dennis Organ. Dave will ask them to be on the committee.

Dave said that Dr. Benson had requested him to ask the council's opinion on changing short chapel day from Thursday to Friday. Dr. Benson's reason
was that many times during the year a series of programs in three consecutive days would be more effective than when the days are split with a short chapel. The consensus of the council was that the day was not that important; they agreed with Dr. Benson's reasoning.

Dave next requested that we set a permanent meeting day and time for our regular council meetings. After some discussion, practically every day was eliminated except Tuesday and Friday. Doris moved that we meet on Tuesday. The motion was seconded and the council unanimously accepted. Kathy McVicker moved that we meet at 6:00 p.m. The motion was seconded and accepted. The dissenting vote was Hollis Black.

Dave said that Dr. Benson will speak to the council Tuesday night, Sept. 15.

Dave asked Ken, who is in charge of organizing the leadership meeting, to report on the plans made thus far. This is the tentative program: welcome, speaker, panel discussion, summary and S.A. plans for the year. The main purpose will be to give a unifying pep session for campus leaders and to get all organizations on campus working with the S.A.

Ken asked for suggestions for a key note speaker. Jimmy Allen was suggested and everyone thought he would be very good. Organization of the panel discussion and the decision on whom we will invite to the meeting will be decided later.

Doris asked that the council again recommend singing our alma mater on short chapel days. Ken so moved, and the council voted unanimous approval.

Dave adjourned the meeting.
