Dates With Rustic Social Saturday

Simple farm life offered the setting for the “High Country suppers” held in the Legion Hut Thursday evening. The room was decorated with large and small stacks of scattered hay, farm implements, step ladder, a tiny baby pie, imitation horse trough, bucket and pan, baling wire, dusted with sawdust, and chairs of the farm. A big fire burned in the fireplace to add a slight “smoky” atmosphere.

As orchestra, consisting of local talent, furnished music while the members and their guest sit dancers highlighted by fried chicken.

Those attending were seated around a long table, with corn-flowers as the centerpiece. The dinner was served family style.

During the evening, Bob Martin sang a vocal solo, three members of the club sang some old familiar country songs, familiar games of “I Spy,” suppers on the hay stacks and listened to the very familiar music of the campus of the American Legion Hut Saturday evening, February 22.

The decorations were carried out in the traditional red, white, and blue, and Streamers and tinsel were hung from the ceiling in graceful folds to the floor. A miniature corn-stalk, hay and bale, resting on a mirrored base centered the T-shaped table. Individual form, tiny flags, and liberty hats were favorites. Programs were red, white and blue, and the guests, dressed in their finery best, arrived at the dance late to enjoy the delicious buffet in the Legion Hut.

Three Seniors, Two Juniors
Appear On All-Star Team

With the completion of the current inter-senior basketball season came the difficult task of selecting an all-star team. The selections were based on ability, general attitude, and generalship.

A first string of five men and three substitutes was chosen, with additional players receiving honorable mention, were first stringers receiving 6 points, while the substitutes would receive 4 and the players receiving honorable mention would get 2 points.

The first five includes three seniors and two juniors.

Gorman Wills, junior honor center, won a position on this team by his consistent scoring and efficient ball handling at all times. He established an all-high school record for the season when he scored 39 points in the last junior-varsity game.

Wayne Swalmers, senior guard, led the field in scoring, averaging a little better than 10 per game. He was a regular "ball hawk" and was outstanding on recovery of rebounds and loose balls.

J. E. Rea, senior guard-center, consistently led his team in their victorious march to the title position, and accounted for a great portion of the senior's point making.

Jack Greenway, junior forward, won his position by his dead-\-ball" hustle and his constant coming off with the ball. Johnny was lacking in height, but he managed to tie.

The three substitutes were: Decker Smith, senior forward; and Jennings Hubbard, freshman center.

These receivings honorable mention were: Bill Marry, Drakes; Jack Baker, and Lynn Buffington.

Basketball ended with a bang as the seniors triumphed 62-57 over the game. Greenway and Berryhill proved to be the stars for the night as Smethers, senior guard, handled Smethers with some finesse. The last five minutes of play, Greenway and Berryhill proved to be the stars for the night as Smethers, senior guard, handled Smethers with some finesse. Seniors Are Victors

(Continued from page 1)

I seniors sti1l adhere to their junior off their feet in the final quarter. Green- way scored, and Smethers made a free shot to put the seniors 2 points ahead.

Greenway then took two free throws to increase the score to 16-16. The crowd was wild, filling the gym with shrill screams and encouragement to their favorites.

Dominating the ball, the seniors kept it in their possession most of the remainder of the game. The juniors did not score twice during the remaining 6 minutes. Berryhill scored, and the game became fast and furious.

Louis Green sank a long one, and ten an excellent article on sports.Unique, it is usually self-\-explanatory. In this instance I would like to apply it on a person's will-\-ingness to step from his station of life to a lower level in order to help or straighten out a difficult situation. In other words one who, even though he may be right, is willing to give up to the other person in order to avoid harrying his fel lows and retain his existing friendship.

This not only shows sportsmanship, but also to common sense and fairness to the foundation of sportsmanship as well as any other worthwhile virtue. Tart, as the third and last part of the "art", is the ability to practice and to acquire the art of knowing what to say, and when and how to say it. Our encourage-\-able tongues should be controlled to avoid unnecessary or offensive work was outstanding. Honorable mention will get 2 points.

The following are the three constituents of the "art":

1. The ability and practice of knowing what to say, and when and how to say it. Our encouraging tongues should be controlled to avoid unnecessary or offensive work was outstanding. Honorable mention will get 2 points.

2. Tact should also be practiced as all are keenly interested in everything that the players do on the court. It is only fair to them that we should remember this and not be too hasty in our criticisms.

3. We should try to teach our friend to do the job that he is weak in.
