S.A. MINUTES
October 27, 1964

The meeting opened with a devotional.

The previous week's minutes were approved.

Hollis reported that he had discussed the telephone information forms with the telephone company. A trial plan was suggested—the S.A. make the forms and place them in racks by the telephones; if the plan was profitable to the telephone company, they would pay for the initial expense and the continued expense of the project. The council decided that the idea itself would be an appreciated service even if the company did not pay for it later; therefore, they agreed to place information forms and pencils in racks by each phone.

Eileen gave a report on the decoration suggestions and the variety of games which the Emerald Room committee had suggested.

Some students have said that they would like to have a Student Directory for their own use. The Council agreed that it would often be very helpful. Dave said he would talk to Mr. West about printing before any final decision was made. The directory would have to be printed at a minimum of expense and then would be sold for a nominal sum.

The Lost and Found cabinet is completed. Dave opened the floor for discussion on how to put it into effect. The suggestions made by last year's council were read. The council decided to ask Richard Abshire, special projects chairman, to be in charge. He would post lists of the lost items found, keep the cabinet in order, keep the key and be in charge of opening it at certain hours.
Dave said he had sent the nine week letter concerning the S.A. to the faculty.

Hollis will meet with the ICC to obtain boys to help with the parking during the Lectureship.

The council next discussed ideas for our Christmas project.

A summary of ideas:
- Toys for Tots
- Clothing drive
- Do something for the town--decorate town, Christmas parade
- Give dollys to the Deaf School in Little Rock
- Work with the merchants in town--perhaps they will supply toys if we supply the dollys
- Decorate the student center and cafeteria for Christmas

Dave said that the council will not meet next week.

The meeting was adjourned.
