Greenway And Fogg Are Year's High Point Athletes

The recent men's intramural swimming meet was the final event in the program for this year; and after the points earned during the meeting were distributed to the respective winners, it was possible to determine the award winners for this year.

Johnny Greenway, senior from Walcott, Arkansas, leads the men with a total of 57 points. Olive Fogg sophomore from Valdosta, Georgia, leads the girls in total points to gain the number one spot for the year.

Greenway was fortunate to be on several winning teams which swelled his total point column considerably. He was a member of the winning volleyball team, played forward on the championship senior basketball team, and swam on his class-winning swimming team. In addition he won the 155-165 pound wrestling title. Clifton Ganus, runner-up to Greenway with 55 points, was less fortunate in this respect. Ganus won the number two slot last year and yet he has never been on a winning team in the two years. He has always picked his points up the hard way—in the individual sports. He won the paddle tennis championship and teamed with Quentin Gateley to capture the badminton doubles title. Ganus picked up points in all of the other events. He was runner-up to Louis Green in the heavy-weight wrestling division, and scored several points in horseshoes and swimming.

Dan Spencer with 49 points, Wayne Smethers, 48; and Ex Berryhill, 45, will all receive intramural jackets designating them as the winners of intramural honors for the year 1940-41.

The next ten high men who will receive medals are as follows: Bill Landrum, 42; Louis Green, 40; Charles Geer, 35; Bill Harris, 34; Hale Miller, 29; Lynn Buffington, 28; Quentin Gateley, 28; Joe Whittemore, 28; Clyde White, 25.

Five other girls besides Olive will receive jackets in the girls' division of the intramural program. They are as follows: Blondell Webb, Iris Merritt, Betty Jo Roades, Verle Craver, and Mary Ruth Faulkner. Connie Ford, Jane Gateley, Veda McCormick, Louise

Nicholas, Mary Alberta Ellis, Lorene Medford, Christella Ford, Emryl McFadden, and Juanita Weaver will receive medals in the girls' division.

All of the sports have been enjoyed by the participants and spectators alike. The winners have worked hard for their awards and consequently deserve them. There are several noteworthy athletic events to be held in the future. Track and Field Day is always a big event, and the various tennis tournaments and softball will about fill all of the time between now and commencement.

Aplin Girls' Team, Coached By Harris Wins District

Aplin, Arkansas, has produced a girls' basketball team which is going places. Coached by Buck Harris, they ended a successful season by winning the District 12 basketball tournament.

In previous invitational tournaments and the current season games, the Aplin team had little trouble in overcoming all rivals. However, this is the first time in the school's history that the team has won district honors. District 12 includes twelve counties and is the largest district in the state.

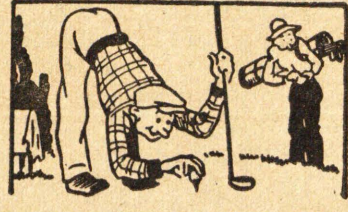

Harris' team breezed through the tournament, scoring 145 points to opponents' 40. One of his forwards, Thelma Lee Allison, scored 71 points in tournament play. Three of the teams' girls made the all-district team.

Aplin is now eligible for the state tournament to be held soon.

Harris is a Harding graduate of last year. He was editor of the Bison two years and active in intercollegiate and intramural sports. He is superintendent and coach of the Aplin school system.

Bison Sports

BY LOUIS GREEN

WRESTLING

The grappling tourney ended with a bang (rather I should say a fall!) In one sense the tourney turned out to be rather encouraging to me. I had my doubts as to the wisdom of attempting to pick winners in the various weight divisions, but after due consideration and much deliberation I decided to throw caution to the proverbial four winds and plunged with my whole heart into the task of being prophet. The results were rather gratifying to me in the future as I tifying and will offer much encouragement diligently far and near for bigger and greater and greater events on which to predict the outcome.

Of seven championships decided I was able to pick four of the titleholders for a grand average of .571! Dan Spencer, light-heavyweight; Louis Green, heavyweight; Doyle Earwood, middleweight; and Burl Dykes, lightweight; all came through victorious to uphold my record as a sports prophet. Smethers did his best for "the cause" but Greenway had other ideas in his head. I missed the Boyd-Neil match a mile, as Boyd turned the tables on me and pinned his opponent. I understood that Jimmy Maple and Quentin Gateley were to battle it out for the featherweight title, but there was a slip-up somewhere

along the line and Poole and Gateley met instead, so that match really shouldn't be held against my good record. Enough for that. The spectators, even to the fine young ladies of Pattie Cobb Hall, seemed to enjoy the finer arts of the rough and tumble sport.

BADMINTON DOUBLES

Clifton Ganus and Quentin Gateley came through in fine shape to capture the badminton doubles championship, and incidentally make another one of my predictions come true. These two boys were just about the big and little of the tourney and looked rather ridiculous together, but they played an excellent game and really knew how and where to hit that "bird." The winners won all of their first round matches without much difficulty. In the finals the going became a little tougher and the champs had to go three games before winning.

TRACK AND FIELD DAY

April 10 has been selected as the big day for all runners, jumpers, and field stars, if the weather permits. This has always been a big day in the lives of Harding students and we hope that it will remain so. That isn't too far off, so let's all begin to get in shape. It's dangerous being in shape as I have found from to perform any track feat without experience. It's very easy to pull a muscle or strain an organ.

Seniors Run Away With Inter-Class Swim Tourney

McReynolds And Ryan Winners In Horseshoes

Upsetting the favored team of Charles Geer and Emmett Smith, Leonard McReynolds and Pete Ryan looped on ringer after ringer to win the doubles horseshoe tournament.

In the first round, Ex Berryhill and Wayne Smethers defeated the team of Hale and Mabry Miller. Geer and Smith won over Lynn Buffington and Leland Waters by a forfeit. Walter Larkins and Clifton Ganus received a bye, and Bill Harris and Sprat Oliver won a forfeit over Burl Dykes and Deener Dobbins.

McReynolds and Ryan began their winning streak by easily defeating Johnny Greenway and Dan Spencer in the first round.

Winning the inside track, first pitch in horseshoes, McReynolds and Ryan pulled away to a good start in their game with Ganus and Larkins. They got about 8 points ahead, but were unable to hold the lead and the score was tied at 10-10. However, McReynolds got his aim back again and put on ringer after ringer to win 21-15.

Ryan gave his partner able assistance in the second game to win 21-11.

Playing the championship game, McReynolds and Ryan never gave their opponents a chance. They got off to a flying start, and before Geer and Smith realized it the score was 21-8 against them. The second game went just about as fast, and McReynolds and Ryan were the new doubles champions.

Sparked by Bill Harris and Sprat Oliver, the seniors swam away from the other classes and won the meet in a walk.

Wayne Smethers was the only junior entry. He entered four events and came in fourth in each event. The sophomore team consisted of Bill Laas, Mabry Miller, and Clifton Ganus. This team, lacking two men, was handicapped by having to swim too often.

From the first event on, the seniors were masters of the situation. Oliver finished first in the 20-yard free style in 11½ seconds. Rogers came in second and Ganus third.

Pryor, senior swimmer finished first in the 100-yard free style, with Dykes, frosh, second, and Miller, soph, third. The time was 1 minute 18½ seconds.

Harris captured the 20-yard breast stroke in 12½ seconds, leaving Laas, soph, second, and Whittemore, frosh third. Rogers outswam his opposition in the 40-yard free style and won in 26½ seconds. Landrum, of the senior team, came in second, and Laas placed third for the sophs.

Easily outclassing their slower opponents, the senior medley swimmers left the field behind to win in 33½ seconds. Oliver swam back stroke, Harris, breast stroke, and Pryor finished in free style. Freshmen contestants finished second and the sophs third.

Harris finished first in the 20-yard back stroke event, assuring the seniors of first place in the meet. For good measure they proceeded to capture firsts in both the 160-yard relay and fancy diving.

Oliver finished first in diving. He did the required plain dive, jack-knife, and for an optional executed a beautiful back jack. Dykes, finishing second, did a swan for his optional, while Harris did a difficult jack with a half twist. Points were given on approach, dive, and form.

Harris contributed 12 individual points to his team, besides swimming in the medley and relay. Oliver followed closely behind with 10 points; and Pryor earned 5, while Landrum got 3.

Total points for the meet were seniors, 40; frosh, 25; sophs, 16; and juniors, 4.
