S.A. CALLED MEETING

Nov. 20, 1964

The S.A. council and cabinet had a special meeting during the supper hour in the Empire Room. The purpose of the meeting was to discuss and make more definite plans for the Christmas program.

Kile and Ann met with a committee earlier in the week to brainstorm on more ideas. They reported that the committee made the following suggestions:

1. More emphasis on campus decorations inside and outside
2. Have an S.A. Christmas tree--students buy a bulb, his name is printed on it and then hung on the tree
3. Have more opportunities for singing Christmas carols
4. Have the entire Christmas program in the auditorium--with caroling around a campus Christmas tree afterwards and then refreshments in the cafeteria

These ideas the council liked very much and they voted to have the entire program in the auditorium. Ideas for adjustments and for the events of the program were made. Jim and Nick are working on a presentation of the "Nutcracker Suite".

The meeting was adjourned.
