Mr. Brad Brumley
Freed-Hardeman College
Henderson, Tenn.

Dear Brad:

Sue and I were grateful to hear that you made the trip alright. In view of all of the circumstances, the time for the trip was exceptionally good.

The summer quarter at Tech. begins June 6. This means that the of your preference is virtually impossible for me. However I will be able to work out the time to be away May 29 to June 5. I am sorry that this date works so closely with your getting out of school, but I hardly see any other solution. If this is acceptable you can confirm it at a later date.

I will keep open the same time for 1961 and we can work out the specific dates while I am at Rector during the meeting.

We are continuing to see some tremendous results of the work shop. Needless to say, it means a great deal to me and from the comments of others, I am not alone in this sentiment.

Fraternally yours,

John Allen Chalk
