S.A. MINUTES

March 9, 1965

The meeting began with a devotional.

Only Mike was absent.

Kathy read the minutes from the last meeting. They were approved.

Dave expressed appreciation for the council's help with the Youth Forum.

Dave apologized ^{to} the council for making the announcement concerning the contest for renaming the Emerald Room without having been granted permission from the administration. He explained that he thought he had requested permission from Dr. Benson, so it was a slip up on his part.

Complaints are still being made about the ineffectiveness of the lost and found service. Dave said he would work on it.

Jim said that two students from Lipscomb would be on the campus during the spring holidays and that they had requested a discussion on student government with our S.A. Dave said that a formal meeting could not be called for this, but he would be glad to talk with them.

Dave and Dr. Gilliam talked to Dr. Benson about the facilities of the new lounge in the Alumni Building. The lounge will be similar to a hotel lounge and will be open for student use.

Since Dr. Benson's announcement about the new lounge in the Alumni Building, students have asked about the plans for the Emerald Room. Will the Emerald Room be both a lounge and a game room? How will the club money be spent? Dr. Gilliam stated that he felt the

new lounge would have little effect on the use of the Emerald Room. The council voted to continue plans for the Emerald Room as a game room and to buy nice but not luxurious furniture which would fit such a room.

Dave asked the council members to give students opinion on whether or not to include a TV and ping pong tables in the Emerald Room. The majority opinion was that a more quiet atmosphere with only the hi-fi music was most popular. The council voted 9 - 1 to not add a TV or ping pong tables as a part of the room.

A new plan for the supervision of the Emerald Room has been approved. Dr. Gilliam explained that with the Student Work Program a student paper grader could have the double job of supervising the room and also ^{would} have time to grade papers.

Dave asked the council's opinion on this plan for supervision: Eileen felt that the clubs should ^{be} used the rest of the year. Carolyn stated that the student worker should be begun this year. In the final decision, the council agreed that this was a streak of good luck, so the vote was unanimous in favor of supervision under the Student Work Program.

A box will be placed in the Student Center where suggestions ~~from~~ the students may be placed.

The meeting adjourned.
