S.A. MINUTES
May 11, 1965

After the devotional, the meeting was called to order. Only Dr. Gilliam was not present.

The minutes were read and approved.

Dave read completely through the rules report (Rules Clarification Study). A copy will be sent to Dr. Ganus and the Student Affairs Committee by recommendation of the executive council.

Dave gave the council a preview of his final nine weeks report which will be printed in this week's BISON.

Dave asked Ken, chairman of the committee to select a suitable gift for Dr. Benson, to give a report. Ken read off several suggestions but stated that the problems were not only what to get but how much will be spent and whether we should involve the entire student body. A discussion followed concerning the type of gift to be given—a token gift or a large expensive gift. Since no immediate decision could be made, Dave asked the committee members to make further contacts which might help in making an appropriate selection. The council will meet again at 4:30 tomorrow evening to try to make a decision.

Tuesday, May 18, will be the presentation of this year's S.A. council and cabinet and also the '65-'66 council.

Dave said that May 25 would be our final meeting of the year. At this time all folders and reports are due. Dave asked the council to be sure to write down any suggestions which might help next year's council.
Dave asked for new business. -- Jim asked if it were possible to have a student who could attend faculty meetings. Dave said he did not know. Doris suggested that the sponsor of the S.A. could be a faculty representative to us and express the ideas of the faculty. Several other council members expressed a desire to have better communication between the students and the faculty.

The motion was made, seconded and unanimously voted to send the money made at the lost and found auction to Southern Christian Home at Morrilton.

A letter of appreciation is being sent to Jake Vincent for his help in making the auction a lively success.

There was no further business; the meeting adjourned.
