Students! Major In Social Science!

College students who have just entered school have not fully decided what they would like to choose as their vocation or major. Social Science has been a favorite field of work for many years here. This department covers a wide world, critical analysis of conditions of certain parts in the country, the status of society and how it is brought about. Without these departments it is not enough to study the people and the country of whose language he is studying.

The home economics' major ought to know how people did things at the time of the buildings. These few statements show us that the social science departments is an important part of college training. But it is not enough for the above, it is a good continuation for anything that a person does, whether he be a farmer, politician or drugstore owner.

It's Better Now, But Occasionally

A clock and a bell will ruin your disposition. You have your clock set accurately with radio time. You know you have five minutes before the doors open. You try to go down easy. Your roommate tells you the breakfast doors are already closed. You look at your watch, you know you are right. But the kitchen family will be correct times you go down where your room is morning.

The first bell for class rings. Why, it's five minutes too soon. But you go to class and the teacher give there five minutes late because he goes by radio time.

ALUMNI ECHOS

By KEITH COLEMAN

LOWE Hogan, '34, and LA Vera Richardson Hogan, '36, live in Hermoso, Cal, where he is employed in the North American Aircraft factory.

While at Harding, Lowe was a member of the Glee Club, Cassie Club, and Poetry Club; and he was cheerleader of the Pep Squad, president of the Business Club, and state champion painter in '37.

LA Vera was a member of the Oklahoma City Club, and the Sub-Club social group.

Brantley Bold, '34, is a superintendent for the construction company building Steuben Field and Hot Springs from Oklahoma. He is to be transferred to Canada soon.

BRADLEY was active in music groups.

Alfred Johnson, '36, and Anna Lou Mathers Johnson, '36, are teaching in the high school at Johnson Grove, Tenn. Alfred is superintendent, and Anna Lou is the teacher of English.

All was a member of the '36 Club, tennis team, and the newspaper was president of the sophomore class in '36.

Anna Lou was a member of the Cam­ pus Players, cheerers, Who's Who Press Club, and the Pep Squad. She was a member of the Alpha Delta Phi and Honor Society, and the W. H. C. Club.

Ervin Berryhill, '40, is a coach in the high school at1.

Outstanding as an athlete, "Blackie" was captain of the basketball and football teams, and associate coach of the baseball team; as a participant in intramurals he was a wrestling champion in '36 at Harding College, and supervising of the academic physical education program in '36 and '40. "Blackie" was a member of the Alpha Delta Phi, Phi Kappa Kappa, and social club men's glee club, Texas club, and the International Relations Club.

SOCIAL NEWS

Tofebts Play School
With Jackson, Gann
As Pretty Teachers

With an old fashioned session of school Mary Blanche Jackson and Hollie Gann, as teachers, entertained the Tofebts in and cookies, wrapped up in newspapers. During the music green and greener and the motto, Mary Blanche Jackson and Hollie Gann, the Gang's All Here,'' etc. ""

""Ignorance is Bliss 'Til Folly to be Wise."" The school song was ""I Ain't Gonna Work No More."

Upon entering the room or school house, each member was given a registration card to fill out, which contained goofy personal data. During the music the class sang such songs as ""Carry Me Back to Old Virginie,"" ""Hail, Hail, the Gang's All Here,"" etc.

For history they were asked to connect certain characters in history with given descriptions. Then came recites and each pupil received a sucker and the group played ""Farmer in the Dell."" Brain twisters were the problems worked in Arithmetic and ambiguous words to spell in spelling. At noon the student body was served lunch, consisting of tuna fish sandwiches, sweet potato croquettes, and Coca Colas were served to the members.

Mu Eta Adolphian

Edythe Tipton and Clara Belle Duncan were hostesses to the Mu Eta Adolphian Club Friday night in the living room of Gray Gables. Refreshments of tuna fish sandwiches, sweet potato croquettes, and Coca Colas were served to the seniors.

Seniors Get Invitations

Seniors have received invitations to attend the Junior-Senior banquet at the Marfair Hotel, March 26.

The invitations were photostatic copies of the Alma Mater with the invitation message replacing the usual words of the song. It is traditional at Harding for the juniors to give the seniors a banquet.

Anthony - Tebay

Billy Anthony clearly defeated Dal Tebay in the first bout of the night to open the finals of the intramural wrestling tournament. His superior strength gave him the advantage throughout and made it a one-sided affair.

The first two minutes of the match featured grunting and a hand hold, but after that Bill turned on the power and managed to get two falls. However, Tebay kicked Bill off the floor and slammed him, leaving one point.

He got a second lock on Tebey's head and slowly wore him out. Then after eight minutes of wrestling Bill rushed in fast, pinned his arms to his sides and by sheer force of strength forced him to the mat and held down his shoulders for the count of three.

Lawyer - Smith

Raymond Lawyer bested Raymond Smith in their middle-weight struggle by the score of three falls to one. He clearly had the advantage throughout the match and he quickly evened up the score with two advantages over Miller.

Plunket - Williamson

Plunket provided plenty of excitement in their encounter with both boys being evenly matched.

Both were strong and lasted the whole ten minutes. They started "fire and furious," throwing each other off the mat after time. Dick Adams proved more adept to the match over Plunket in ten minutes, two to nothing.

Adams - Harrison

Wrestling in the 45-55 division, Dick Adams and Don Harrison went in the last match of the night. Both were strong and lasted the whole ten minutes. They started "fire and furious," throwing each other off the mat after time. Dick Adams proved more adept to the match over Plunket in ten minutes, two to nothing.

too, so much the better. Let it barely hit the target and bounce out, which was not as true as his. Perhaps we had better stick to providing Cupid with his job and let him take care of shooting the line (arrow).

Enthusiasm was high in the girls' intramural sports. There is really nothing to it. Just aim your gun and have a chance. The boys to watch in this event are:

Students May Ride Horses: 25¢ Per Hour

By Raymond Webb

Harding provides horses for all who wish the healthful form of exercise. Students are allowed to ride one hour free from the Carey service. This price is especially so that the students will have an opportunity to risk more.

The college owns five horses, all having five gait.

Most boys have no experience and a great deal of them have never shot at all. Therefore the field is wide open and all have a chance.

There is really nothing to it. Just aim the arrow at the target, yell "match is on," and let go. If you are lucky enough to know how to shoot the arrow easily, so much the better. Let it barely hit the target and bounce out, which gives you five points, whether you hit the bull's eye or the one counter.

From the preceding for track, which is now going on it appears that there is going to be more interest than last year. The boys to watch in this event are:

Don Harrison beat Joe Whittemore in ten minutes, and took the lead. For the next two falls on his part, and won the match. Louis was handicapped with a strained shoulder and was not able to do anything with the other. He lost one point on an illegal arm hold and dancing. Miller tangled with Charlie Rich­ardson in the January-February division and outdistanced him to win the event.

Don Lawyer was supposed to meet Mabrey Monday night on the campus in time and forfeit the match. However, neither came to the match and took the lead. For the next six minutes they danced around, waiting for the other to make a mistake. They finally got in and the match ended. However, both were evenly matched and it was a hard fought battle.

The boys to watch in this event are:

Girls' Swim Teams Meet In Contest

Enthusiasm was high in the girls' swimming meet as the first team consisted of Olive Fogg, Iris Merritt, Louise Nickels, Lilian Jennings and Carmen Price won over the second team consisting of Ruth Roller, Ruth Benson, Imogene Nicholas, Doris Price, Annile Chambers and Archibald Brown, by winning a total of 45 points against their opponents 30.

The first team took the 100 yard place relay,

The rove was in the form of a contest to determine the winner and arrows they have made in class.

The first team lost their potato in the final game of the potato roast and had to surface dive for it. 3, 1, points respectively.

Ruth Barker and Carmen Price won first and second respectively in race diving.

Olive Fogg outswam Ruth Roller in the 100 yard race.

Ruth Merritt,/ and the water treading with the help of Ole and Margie.

Robins, Barker, Bennen, and Brown took the 120 yard potato relay when the first team lost their points in the water and had to surface dive for it.

First, second, and third place got 5, 3, and 1 points respectively.

Ruth Barker won first in individual points having a total of 90 points. Carmen Price came second with 11 points. Third place went to Olive Fogg who had a total of nine points.

Hockey Teams Finish Season

The Bulldogs and the Spiders again tied up in the final game of Scouter hockey this season with a score of 3-3. After getting the tip off at center, Carmen Price of the Spiders, pushed the dish forward to Paul Fink and took toward their goal. However, the Bulldogs had the edge on Paul in the first fifteen minutes of playing the score was still 0-0. In the last half of the game, the Bulldogs managed to get the puck into the net in the last minute of the game which gave them a one point lead over their opponent. Then the Spiders came away with a goal in the same minute.

Under mutual consent of both captains the game was continued for an extra five minutes to decide the winner. But the teams were so well matched that at the end of the specified time the game was tied.

So it was decided by the teams and referees to let the tie stand and give each player of each team the same number of points in intramural activities.

The Cricketer came out on the bottom of the tournament, having lost every game.
