Student Association Minutes

After a prayer led by Jim Anderson, the Council met for its regular meeting at 6:00, November 16, 1965. All members except Mike Whittaker and Cliff Canus were present. The minutes had been approved by the Council before the meeting.

Dwayne reminded Council members to turn in their reports for their various projects, such as "Wreck Tech" week. He also reminded all concerned with S.A. work to check SPAC, the S.A. "reminder" board.

The Council discussed detailed plans to make the campus "merrier and cheerier" this year. Linda Byrd, Chairman of Campus Decorations, told of plans to decorate the dorms, the student center, the administration building, the campus, and other highlights of Christmas displays. David Smith discussed plans for the program in the auditorium. Jim Anderson and Connie Taylor reported plans for caroling groups to sing to different parts of Searcy. Ken Starr is planning the entertainment and refreshments for the Christmas party after the carolers return. Dwayne and Bob are organizing the Christmas projects—the dolly and toy drive, filling baskets on each wing of the dormitories.

A "Ride Board" will be posted soon so that students might be able to obtain rides to their homes at Christmas-time! The Council will have a general S.A. meeting soon. There will be a Lost and Found Auction soon after the Christmas break. The new program, "The S.A. Speaks", will be presented Thursday night at 9:30.

Other matters were discussed by the Council. Students are invited to submit their suggestions and ideas to any member of the Council, who in turn will bring them up for discussion during the regular S.A. meetings. The Council adjourned.

Respectfully submitted,

Linda Byrd, Secretary

Student Association Minutes

After a prayer led by Jim Anderson, the Council met for its regular meeting at 6:00, November 16, 1965. All members except Mike Whittaker and Cliff Ganus were present. The minutes had been approved by the Council before the meeting.

Old Business

Dwayne thanked Mike and Jim for their help in "Wreck Tech" week. He reminded them to complete their report for the files. He also reminded the entire council to complete any reports on projects and to check SPAC frequently.

The Council discussed Christmas activities for the year:

Campus Decorations—Linda Byrd

People have been selected to serve as chairmen and Committee workers. Committees are meeting to plan, design, and make their decorations. Since the Council thinks it is a good idea to use mistletoe and to cover the lights with Christmas colors, the committee will try to decide on a practical way to carry out these ideas.

Auditorium Program—David Smith

We have to wait till after the play is discussed to discuss the program. We will be sure and have a report for the next meeting.

Carolimg—Jim Anderson

Connie and I have problems deciding how many people to expect, how to divide them into groups, and transportation. Several suggestions are: divide people in auditorium according to rows they are sitting on and load them from the auditorium into the busses and trucks, have different color buttons to pick up as they enter the auditorium, number the people consecutively, have a long ribbon to section the people in the auditorium as the master of ceremonies announces the caroling plans. We plan to alert the town as to our plans to carol that night. Since the Council is still behind this idea, we will continue our work on it.

Christmas party—Ken Starr

We intend to emphasize foremost at the party. We want Dr. Ganus as Santa Clause, the master of ceremonies, and a few helpers, such as Jimmy Allen, Jack Ryan and Bob Helsten. We plan to have some light entertainment such as the Green-Griffin-Miller trio, Dan Smith, an A Capella quartet, Synette Hubbard, an the Barons. We hope to have hot chocolate and cookies for refreshments, then let them take cotton candy as they walk back to the dormitories.
Old Business

The Council discussed the Christmas project, which Bob and Dwayne will co-chairman:

Letters have been sent by Charlotte Humphries to all the social clubs to encourage 100% participation in the dolly drive. Dwayne and Bob will take care of the men's toy drive. The girls on the Council will take care of the baskets to be filled on each wing. We can get ideas from the Ladies' Bible classes as to who to give the baskets to, Dwayne and Bob will make a list of suggested items with which to fill the baskets, and the girls on wings can deliver the baskets, as can the boys. It was reported that the Lions Club and Kiwanis Club might not be able to work with the S.A. on the Christmas project, but Ken stated that the Kiwanians might be able to do so and would like to do so. Dwayne said he would get someone to be in charge of obtaining boxes for the dolls and toys. Bob decided to call the I.C.C. meeting Wednesday night of next week at 9:00.

New Business

Ride Board—Bob Rader

This board, which will be of the United States, will be posted soon and an announcement will be made in chapel explaining its purposes and the way it works.

General S.A. Meeting

The Council decided to try to obtain a chapel program for the next general S.A. meeting anytime during the next few weeks.

Lost and Found Auction

The Council generally agreed that because of the many activities schedule for pre-Christmas period, it would be better to wait until after Christmas for this activity. Ken Starr moved we wait until after Christmas, and David seconded the motion. All but Jim Anderson favored this.

S.A. Speaks

The Council agreed that the Thursday night period was best, and the five minute span was better than ten minutes. Jim Anderson and Cynthia Hawkins will be in charge of the program this week. The Council did think, however, the time of the program should be changed to about 10:20 or 10:30 at night.

Music in Cafeteria

Mrs. Hart has asked about this, so Dwayne will talk to Russ about it.

Library Hours

Dwayne will talk to Miss Birdsell tonight.

Cafeteria open next Thursday—need to check on this.
Pledge in Chapel

Dwayne: Should we just introduce it in General meeting?
Connie: Have Dr. Moore do it.
Dwayne: I hate to have it haphazard, short notice.
Bob: Tomorrow is the day to give blood, might tie in.
David: I move we have the pledge in chapel tomorrow and the Star Spangled Banner. Bob seconded and carried.

Traffic Problem

David mentioned that cars speed in front of American Heritage building. Dwayne will talk with Lott Tucker about this problem.

Bible building stairs—more people discussing this and intercom in the dorm, Cathcart, is also a problem. We will let this ride for the time being.

Appreciation to Lott Tucker

A letter of thanks has been written to him, and Bob suggested sending a present also.

Policy of Sympathetic gestures toward those who lose loved ones

Dwayne: I think this is a good policy.
Connie: I like this idea.
Ken: I move we send cards for appropriate occasions.
David seconded and Council favored it.
The Council will leave this responsibility up to Ken and let him decide when to send cards, especially during time of long illnesses or deaths of immediate relations.

Directories

Cynthia: I think we should sell them now.
Linda: I move we sell them in the library, just leave them on a table and have a place to deposit money, and if we can't do this, sell them in the registration line with a supplement the second semester. One member opposed this motion.

Connie moved we adjourn and David seconded; all were in favor.

Respectfully submitted,

Linda Byrd, Secretary
