Student Association Minutes

The Council and Cabinet met at 6:00 on November 23, 1965 to have their Petit Jean Pictures taken. A few minutes later, the Council had their regular meeting. Bob Rader and Connie Taylor were absent.

Because of many requests, the Council decided to have the pledge of allegiance and national anthem during the next short chapel.

Christmas activities were reviewed. Decoration committees are meeting to plan and arrange decorations. Judges were suggested for the dolly drive. Boys were selected to arrange for packing the dollies after they are made. Girls were selected to send letters to the homes. The Council decided to have the Christmas party at 7:00, then caroling and refreshments will follow.

Dwayne announced that there would be a general S.A. meeting on December 6 at which a movie report and treasurer's report will be made.

Movie nights were discussed by the Council. It was decided to ask if the dorm mothers might be allowed to give permission to girls to go to the show on Monday nights if the girl presents a reasonable conflict on regular show nights.

The Council dismissed at 7:30.

Respectfully submitted,

Old Business

Dwayne: I couldn't arrange to have the pledge and national anthem during the last short chapel, but we will have it next week.

We need to have reports from the Christmas committees:

Byrd: The committees for decorating are set up and most of them have met, but we need to know how much money we can spend. We had planned to use about $96 on decorations.

Cliff: I think that is spending too much money, but if the decorations are real good, that is okay.

Dwayne: We need to decide on the judges for the dolly drive. Do you have any suggestions?

1. Mrs. Puckett 4. Dr. Gilliam
2. Mrs. Mason 5. Sue Ann Walker
3. Dr. Gilliam 6. Dot Beck
7. Tom Watson

I will pick three of these if that is okay with the Council.

I am asking Gaylon Van Rheenen, David Smith, and Mike Whittaker to take care of getting the boxes to pack the dollsies in. It is best just to go by the stores alleys periodically and store some in the S.A. office.

There are several things that need to be taken care of:

1. Sending letter to the homes—Carolyn, Dwayne, and Spears
2. Pass out letters about dolly drive to students—Byrd will take care of girls, Jim will take care of married students, and Ken will pass them out to the boys.

As far as taking a basket to the old folks home, we can let the Wings do this in the dorms.

We need to set a time for the parties:

Auditorium party—7:00 (Hawkins was for 6:30)
Carolining—8:00 (?) College park—9:00 (?)

We will have a general S.A. meeting in chapel Dec. 6. We will have Kyle's report on the movies, a treasurer's report, and a good announcement about Christmas activities.
Old Business

Dwayne: Dr. Ganus asked me to present to the Alumni and Board what the S.A. is doing this year.

New Business

Carolyn: Mrs. Janes either wants us to try to get permission for the girls to go to the late show on the regular nights or add Saturday and Monday to the regular show nights. Some girls have missed a show they like, Tuesday is a light day, and there should be two nights for the early show as there is for the late show.

Hawkins: This is ridiculous! You shouldn't go to the show during the week.

David: I think we should restrict Saturday night because that would compete with our movies and campus activities.

Spears: I move that we try to get Monday and Saturday nights.

Dr. Gilliam: You can ask, but it will be hard to get.

Jim: We can at least try to get Monday night.

Spears: I withdraw my motion.

Carolyn: Let's try to give the dorm mothers more authority to give us permission for this.

I move that the dorm mother be allowed to make the decision whether a girl can go to the show if the girl presents reasonable conflict; we should talk with Dr. Ganus about this. (Linda seconded; all in favor except Jim and David)

Library:

Carolyn: Could the library be opened on Sunday nights since really it is noisier in the dorm then than in afternoons?

Dwayne: We were really fortunate to get this experimental period in the afternoons, so let's be satisfied for a while.

ICC meeting: At the meeting last night the club representatives discussed cutting down pledge week for academics' sake. We plan to call in pledges, pledgemasters and get more views on this.

Debate:

Dr. Gilliam: Dr. Ulrey mentioned to me that the Council would be timekeepers for the coming debate activity.

Jim: We can use the "Yes Sir" list for people to help.
Dr. Gilliam: You might want to get the student's opinion on an honor system, which the faculty is now discussing because of the problem of cheating.

Dwayne: Remember at 5:00 on Saturday, we should all have a detailed report on our Christmas projects.

Mike: I move we adjourn.

Ken seconded and we dismissed.
