Student Association Minutes

The Executive Council met December 7, 1965 at 6:00. After a prayer, Dwayne passed around letters of appreciation from students.

Christmas activities were brought up-to-date. Teachers were suggested to play Santa Claus at the Christmas party. Ken Starr reported on the Christmas party plans for entertainment, then Eileen Mazuran, Social Chairman, talked to the Council about refreshments for the party.

It was decided to display the dollies and toys on Saturday, December 11 in the Administration Foyer. More posters and announcements to advertise Christmas activities were planned.

It was suggested that the "Letters to the Servicemen" be advertised more widely. The Council decided to suggest that servicemen other than in Viet Nam be listed, and each person put background information on the serviceman.

Some problems, which have been submitted by students to Council members, were discussed, then the meeting adjourned at 7:00.

Respectfully submitted,
