Student Association Minutes

The Student Association met for its regular meeting on February 1, 1966. David Smith led the devotional. The President checked on all past committee work with the Council members to see if reports had been made. Dwayne suggested that minutes of the meetings be more detailed and more copies made by the Secretary. He reminded Linda Byrd to clear up any questions about the Christmas decorations.

Mr. Dykes discussed with the Council the coming Youth Forum, March 11-12. He gained ideas and comments concerning the Forum from various council members about housing, subject, and suggested events.

Dwayne showed enthusiasm as he previewed the semester's work. He remarked that things could "drag" at this time of the year, but it's up to the Council to keep them from doing so. He said he would post a schedule of the times he would be in the S.A. office so that he might help students with any questions involving the Student Association. He also reported that the agenda of all meetings would be posted beforehand.

Assignments were made to various members:

1. Calendar and directories on sale soon—Medearis
2. Suggested chapel speakers—Rader
3. Pencil sharpeners placed in dorms—Rader
4. Pledge in chapel—David Smith
5. Humanities Week—Jim Wilson, Ganus
6. Emerald Room—Rader and Medearis
7. Letters to Servicemen—Frampton
8. Sympathy and Get Well Cards—Spears
   (A project to work out a system whereby the
   S.A. might let friends of the school know
   they are thought of.)
9. Lost and Found Auction—Anderson and Hawkins
10. Interclub Council Meeting—Rader and Van Rheenen
11. Friendly Week—Byrd and Whittaker
12. Mission Retreat—Pat Hile
13. Clearance of Ride Board and Book Board—Smith
14. Fruit and Candy Machines in Dormitories—Van Rheenen

The Council discussed the possibility of using the
 trophy case in the Student Center for club trophies. Dwayne
decided to check with Lott Tucker about this. Dwayne decided
to ask Mr. Tucker also about stocking the machines in the
American Heritage building so that they would not be emptied
so quickly on weekends. Dorm hours in the reception rooms
were discussed. David Smith suggested having some system
whereby students might be able to know each other better,
for example posted pictures or some other system. Council
members were asked to consider ideas, such as an honor
system, maid service, and open house for the dormitories.

At 8:00 the Council adjourned.

I. Youth Forum—Brother Dykes

Brother Dykes announced that the Youth Forum would be held March 11-12 with high school and college students participating. He emphasized that because of housing, the college would not be making any special efforts for large crowds. Evan Ulrey and Pat Hile will coordinate the Forum under the direction of Brother Dykes. He asked the Council members to give their comments and suggestions to him along with their help in making the Forum a success.

Bob: What topics will be discussed this year?

Dykes: The topics have not been selected as yet. We want to be more specific this year in theme. Last year, we discussed "pressures on young people" and the "conflict of parental-child authority."

Mike: I think a Lily Pond devotional should be held.

Bob: The college students should be warned about this Forum in advance.
