Student Association Minutes

After the devotional the Council held its regular meeting at 6:00 on March 8, 1966. The minutes of the past meeting were approved by the members. Dwayne reviewed the activities of the week, such as Friendly Week and redecoration of the Emerald Room.

Last minute preparations were taken care of for Open House. Council members were given the remainder of the name-tags to hand out to students and teachers. Awards for friendly students and teachers were designated and planned.

Arrangements were made for the opening of the Emerald Room on Wednesday night after church services. The room, now equipped with lounging facilities and ping pong tables, will be available to all students.

Jim Anderson will be taking a poll of students now eating in the old cafeteria about changing the seating arrangements. If the newly organized arrangements do not work, the old system may be resumed.

Other activities under the direction of the Council were discussed: Youth Forum, Letters of Appreciation from girls in Kendall to donors, Ride Board, Book board, and other activities.

Noise in the dormitories was discussed by the girls. The possibility of a Sunday night study hall was brought up and will be discussed with Dean Pryor. The problem of mice in the dorms was mentioned, but referred to the dormitory directors.

The S.A. Speaks program might possibly be moved from its present time to Thursday night to 10:45. However, the Council invites you to listen to its presentation this Thursday night at 9:30.

As there was no other business to be discussed, the Council adjourned to attend "Open House" in the boys' dormitories.

Respectfully submitted,
