Student Association Minutes

The Executive Council met April 12, 1966 for its regular meeting. After a devotional, the Council began discussing old business. The minutes of the last meeting were approved.

The President reported that the committee had decided to postpone Humanities Week until next year. Dwayne explained that the committee felt that more time should be given to the planning of the event. Also, Dr. Genus assured the committee that the chapel periods could be used most profitably.

The Council discussed the election rules as appear in the student handbook. As the rules now stand, no transfer student is eligible for a Student Association office other than representative of his class. Several of the Council members felt that a suggestion should be made to next year's Council to amend these rules. Connie Taylor was appointed chairman to codify all amendments that have been made to the constitution.

The Council heard reports from Jim Anderson and David Smith on past Christian College Conferences. Council members were asked to be thinking about the date, theme and activities of the coming event. The suggestion was made and so moved by David Smith that it be recommended to next year's Council that Jim Anderson co-chairman this event with the future President.

Throughout the year, certain students and Council members have suggested rule changes. In order to determine just which rules have been mentioned, Linda Byrd will chair a committee to review the minutes of the year and report to the Council about needed rule changes. Bob Rader will assist her.

The Council adjourned since there were no further questions.

Respectfully submitted,

Linda Byrd, Secretary
