Student Association Minutes

Members of the Executive Council met on April 19, 1966 in the home of Dr. Bob Gilliam after being guest of the Gilliam family for a spaghetti supper.

The Council decided to host the annual steak supper for all outgoing and incoming Council members. The supper will be held at Wyldewood on May 16, but is being revised to a "hamburger" supper.

The General Student Association meeting will be held May 16 in chapel. During this period, the new Council will be introduced. On May 3 and 16, the Council will present a review of activities for the year.

Council members were urged to be active in Council projects: meeting with North Central coordinator, suggestions submitted to proper authorities on pledge week and parking problem, planning for the Christian College Conference, and the Council's radio program, the S.A. Speaks.

The Council discussed the possibility of absentee voting in the coming election. Arrangements are being made for American Studies members to vote before their tour begins. Student teachers who contact Darwin Keichline, Elections Chairman, will be able to vote in the election also. Council members also discussed the procedure of electing S.A. officers, whereby seniors vote on officers for the next year. Some questioned whether or not this was an democratic arrangement.

Finally, the Council favored the opening of the Emerald Room as a coffeehouse for a time under certain conditions. The Council adjourned at 7:00.

Respectfully submitted,

Linda Byrd, Secretary

New Business

1. Absentee Voting
   Bob: I move we leave it up to Darwin. Spears seconded and all members in favor. (This includes American Studies, Business Team and Student Teachers)

   Dr. Gilliam brought up the idea of how democratic it was for seniors to be allowed to vote for officers for next year. Each Council member is supposed to talk to students about this.

2. Emerald Room
   Bob: Several people want to be able to turn the Emerald Room into a coffeehouse once before school is out. The Council agreed to this if approved by Dr. Canus and a competent person put in charge. Mike so moved, Bob seconded it and all in favor.

   Linda moved we adjourn and David seconded.

Respectfully submitted,
