STUDENT ASSOCIATION MINUTES

The Executive Council of the Student Association held its regular Meeting Tuesday evening May 3, 1966 at 6:00 P. M.

After a few moments of devotion, Dwayne called the meeting to order by challenging each of us to "Put on Our Thinking Caps" for a profitable discussion period.

OLD BUSINESS: Reports were given by Dwayne, Connie, and Linda.

In regard to the Christian College Conference that is to be held at Harding this fall, Dwayne stated purposed purposes of the conference as being to obtain ideas and inspire leaders to do a better job. Suggestions were given in regard to time, theme and topics.

Connie Taylor cleared up the Constitutional requirement in regard to transfer students who wish to seek S. A. Executive Offices of President, Vice-President, Secretary and Treasurer. Pros and Cons were discussed for amending the present requirement.

Linda Byrd submitted a list of items that needed rule clarification and these were discussed one by one. Recommendations will follow after further discussion at the next meeting.

NEW BUSINESS: Connie Taylor suggested that we try to get movable closets or hangers for the girls' rooms next year in lieu of the fact that closet space is very limited with a possibility of six to a suite.

David Smith stated that new gravel was needed around the gym and academy parking area to help the students not to get stuck when parking in this area.

The Council adjourned at 7:00 P. M.
STUDENT ASSOCIATION MINUTES

The Council met at 6:00 for its regular meeting May 3, 1966. All members were present. Dr. Gilliam was absent. After a few moments of devotion, Dwayne called the meeting to order by challenging each of us to "put on our thinking caps" for a profitable discussion period.

OLD BUSINESS: Reports on past assignments were given.

I. Christian College Conference. Dwayne stated that the purposed purposes were to help the leaders to obtain ideas and to inspire them to do a better job. The time was suggested to be on a Friday and Saturday. Dwayne mentioned that we should try to get the school to pay for the representatives if possible and if not to get the S. A. to. The method of contacting the different schools will be through correspondence with the college presidents and then later with the S. A.'s themselves.

II. Constitution on S. A. Executive Officers Qualifications. Pros and Cons for changing the Constitution.

Carolyn: Change it to read 32 hrs. before they take office in the fall.

Bob: How representative can an S. A. President be if he has been here just one year?

Cliff: Agreed with Bob because I feel the transfers tend to stick to-gether.

Linda: I hate to pass up good transfers that have been in the general atmosphere of Harding and know ways of helping. IF

Connie: Why not state it (32 hours completed by the time they take office if they are capable) have the initiative because there are not enough Harding students who have the interest of these.

David: Are we planning to make a decision tonight?

Cliff: We need to go ahead and do it because it has already been mentioned. I move that we amend the Constitution to be that "The president, vice-president, secretary and treasurer must have completed 30 hours at Harding by the end of the semester in which he was nominated."
Mike Frampton: Second

The Amendment carried by a vote of 9 to 1.

III. Rule Clarification: Linda Byrd submitted a list of items that needs clarification and each rule was discussed. In regard to reception Hall hours. We need more hours because the previous reasons do not apply anymore; such as the girls are in the reception room with hair rollers in their hair and we slacks on.

Mike F.: The hours definitely should not be from 6 to 9:30 a.m. The rest of the time there is no reason why it should not be changed.

Carolyn: I agree with Mike.

Mike: We need to clarify rules the dorm mother can enforce in regard to conduct and let her decide if the boys should be in the reception room.

In regard to the Monday Night Show Night. Mrs. Janes request at one time that she felt the girls should be allowed to see the late show on Tuesday or on Monday night for one. Carolyn is to check with her again. Next is the Bicycling Rule.

Mike: I do not think we need to change this because of the similarity with the car situation.

Carolyn: You can't park on a bicycle.

Bob: On a Sunday Afternoon couples like to do bicycling and they would get tired of riding around the circle.

Other rules were mentioned as the unamplified guitars and the ways to get permission to go to town with boys etc. Future action will be taken at the next meeting on the rule clarifications.

NEW BUSINESS:

Connie: Since there is an expected double number of girls, since there will be no new girls dorm, since there will be 6 girls to a suite and since there is no closet space, would it be possible to have a movable closet or hangers for the girls dorm? It seems only right that we have them.

Cynthia: We have notches for more shelves, could we have more shelves?

Carolyn: Could they make shelves above the rods in Cathcart?
No recommendation was made, just discussed at this time.

David: The area around the gym and academy fields need new gravel to keep cars from getting stuck.

Dwayne: Some of this area is not for cars any way and that's why they get stuck.

David moved that the AIC Track Meet on the 9th and 10th be made an all school event. Cliff seconded, all was in favor of this.
The next meeting for May 10th was set for 3:15 P. M. on May 10th, because several would like to attend the track meet that evening.

The meeting adjourned at 7:00 P. M.

Respectfully submitted
