Concerning A Mustache By The Man Who Knows

By PROF. W. MATTOX

Wardensburg - A new mustache, whether elongated or unkempt, sprouted from the chin of a Harper College student last week. According to an estimate of the junior class, 80 percent of the student body sported the new growth.

"I've never seen so many of them before," said Fred Johnson, a junior. "It's a sign of the times, I guess." But some students were less optimistic. "I don't think it's a good idea," said David Brown. "It just makes people look older."" :

Kitchen Gets New Equipment

By Mrs. A. B. Chaumet, director, Harper College library

The Harper College library has received a new equipment in the form of a sorting machine. The machine, which is capable of sorting up to 500 cards per hour, will大大 improve the efficiency of the library's card catalog system.

Secretaries have been assigned to operate the machine, which will automatically sort cards according to the alphabetical order of the names on them.

Improvements Made In College Laundry

By Crystal Marks

The Harper College laundry has undergone some improvements in recent months. The new equipment is able to sort and fold clothes more quickly and accurately than before. This has resulted in a decrease in the amount of time spent on laundry tasks.

Military Show To Be Given In Search For 23

By MONROE HAWLEY

Although Harding debaters were unsuccessful in their attempts to bring both one or more fine pieces of literary work, they were able to hold at Curry last week, when they, along with Hendrix College, succeeded in placing more than any other college in the meet.

Four of the five teams which the league placed either second or third in the regular season's division. Top honors for Harding went to the junior debaters, who were barely defeated at the hands of the senior debaters of the junior Women's League by 20-19. Assistant directors are: Paul Whelan, G. F. Vogt, Jr., and Richard Dyer. In addition to the cast of 20 debaters, a group of reporters from Harper News and the junior Hershey girls monitored the proceedings.

The Gir's Service League of Harding College was also represented by a military show "O. C. E. One, Sis," at the Beaver high school auditorium, Tuesday, February 14.

The show was written and produced by Maj. Robert B. Jr., and consists of four scenes and includes a number of original songs and speeches. The show's purpose was to inform the community of the nutritional needs of the soldiers in the Service.

Food, clothing, and shelter, according to Maj. Robert B. Jr., are the three necessities of life. Any soldier who goes to war is automatically deposed. The show also includes a number of original songs and speeches.

BELGIUM REFUGEES GIVEN ACCOUNT OF NAZI ATTACK

By WILLIAM N. ARMSTRONG

Victor J. Donaghey, professor in the school of law, Layla University, New York City, made a speech at the University of Missouri for the purpose of offering a public account of the.way the Belgians were treated during the Nazi occupation of Belgium.

"I was a student in the University of Missouri and I learned to love and admire the Belgians," said Donaghey. "They were my friends and I wish to do what I can to tell the world about their suffering and how they were treated by the Nazi forces.

Donaghey, former soldier in the Belgian army, was a member of the Belgian government in exile in London.

Registration For Speech Festival Is Next Week: Events Named

By MAC TIMMERMAN

Registration for the second annual Harper College Speech Festival will begin Tuesday, Feb. 15, and continue until the end of the week. The festival will be held in the Fine Arts Building, in the auditorium.

The festival will be divided into two parts: the first part will be devoted to the selection of the best speeches, and the second part will be devoted to the selection of the best orators. The festival will be open to all students of Harper College, regardless of their major.

The festival will be held in the Fine Arts Building, and the first part will begin at 8 p.m., and the second part will begin at 8:30 p.m.

Students Will Register Tuesday in Room 112, Administration Building
The 1943 Victory Book Campaign

The 1943 Victory Book Campaign, a part of the local USO program was launched this week under the direction of the Searcy churches, the American Legion, Searcy high school, and Harding College. Mrs. Julias Lightle, Searcy, is chairwoman of the campaign.

According to Dr. George S. Benson, who is assisting Mrs. Lightle in the campaign, the goal is set for 200 good books. It was emphasized that books desired are those that were given in the last book campaign.

We suggest that we start now and make this campaign a school-wide, city-wide, and campus drive that will go beyond our goal. If this campaign is played up constantly there is no reason why it shouldn't be a great success.

Must Realize Need

Furthermore, if the real need of this campaign is pointed out, Harding College will boost it; the churches of Searcy will boost it; and Searcy high school will boost it.

The main trouble is that we haven't seen the value of furnishing good books to soldiers. We like our good books, and we wouldn't be without them, but somehow it hasn't occurred to us that service men appreciate good books. Men who are on the road most of the time get little opportunity to settle down to several hours reading, but some reading would be possible if there were well equipped libraries in USO centers.

It seems very reasonable that we should be able to contribute 200 books from a city the size of Searcy, that has a college the size of Harding.

Special Books Requested

Money is to be raised to buy at least 50 technical books.

These will include books on architecture, mathematics, meteorology, mechanics, etc. It is requested that the most recent selection of books be given. An urgent and convincing thought on the last book campaign is that some of the books were obvious relics that no one would care to read. If you are just contributing because you feel you have no desire to read it, you are not really giving — you are just unloading. It is quite hard to see how anyone could be inconvenienced enough to want to unload books on old warriors, recently published — yes, one that you would like to have in your own library.

Considering the strenuous army life and the hurriedly that comes from moving here and there, it is to be supposed that it isn't an easy matter for a soldier to get absorbed in books, especially if they are state, discarded pieces of fiction, or almost ancient technical books.

Call For Books On Religion

The committee also desires books on religion. You can put yourself in the place of any soldier and know what kind of books that would be appreciated, but with little time for reading, and that between distracting intervals. You wouldn't want to try to read a long book; you may want something you could read within a reasonable length of time, and something that would of value to a soldier fixing to go to war. Remember, this is a drive for good books.

The USO wants the best books you can buy.

What Shall We Say?

Shall we say that Harding College is one hundred percent behind this drive? And then we can depend on you to back up our statement? Let's talk this up and help get 200 good books for the USO before March 6.

The BISON, HARDING COLLEGE, SEARCY, ARKANSAS

FEBRUARY 16, 1943

Dear Angus,

Well, old boy, you really missed it by not being here last week.

The contest was announced on noon in the dining hall. There had been no contact with the new students at the tables where I was sitting began to ask what kind of contest that was. I told them it was called the "Geneva" contest. They were interested to know if a fellow just picked him out a girl, and give a public exhibition of how well he could do the job. Which will just go to show how ideas new students can get from an innocent little contest.

We regretted that Burma Brown was unable to be with us as the speaker. But Brother Rhodes, with that humorous reticence in his eye, got off some "good ones." On the table in front of him was the pitcher of water and the glass as indispensable to all good speakers, and on each such a monumental occasion.

The judges in all their dignity were seated on the platform behind the speaker. One could not doubt that they were composed of college faculty. There was "Fess" Morrow, Otto Baroness, Edythlynn Thompson; "Fess" Morrow, Mrs. Brown lived in Nash­ ville for some time.

"Fess" Morrow got his first place to speak, and gave the second place to "Doc" Brown in the Apostolic times; but in the ordinary details of life, the spirit of Christ revealed in the Holy Word, will make each step a joyful mile­ stone along the road to ever­ lasting happiness.

Happiness.

It is said that happiness is the desired end of every ventural.

Everything we say and do is directed toward a degree of re­ joicing, and happiness. Each of us intended and soberly committed to make this a more perfect and complete par­ ticipation of our expectations.

We do have one guide to true happiness. It not only reveals the way to a happy conclusion in the ordinary details of life, but throughout it all extends the guiding hand of righteousness that directs us to a permanent and eternal form of that destined reward — happiness.

Even in adversity and trial, the child of God finds joy and satisfaction. The high standards of God's children make it possible happiness and joy in times of trial, as in times of happen. The spirit of Christ's life path seems from the eyes of the world, the spirit of Christ revealed in the Holy Writ, will reveal and make happiness.

W.H.C. give Rustic Social

Oil lamps in true country style were used as the table lights for the country supper given by the W.H.C. at the Legion Hut Saturday evening. The supper is an annual event.

Prized chicken and gravy, and all that goes along with a country supper, loaded the table with good food. After all, perhaps that is the best decoration a table can have.

After the supper played the program on rustic instruments and the guests mingled and chatted.

Sweet Potato Pie, Applesauce, salad, coffee, and a basket of pretzels completed the meal.

during the program the members sang two songs, "Shake the Tree," and "Swiss Sweet Salad." Enthralled were: Dean and Mrs. Sears; Carter Price, with Mrs. Rutherford; and Mr. and Mrs. Armstrong were guests of honor.

The Lambda Sigma's and their guests will be entertained Friday night at a party given by Dr. and Mrs. Summit at their home. At the meeting held Friday night last week, plans were discussed concerning the annual club projects but no definite decision has been made as yet.

Coffee and refreshments were also served, and the laughter of the guests filled the room. Mrs. Summit and the guests left heartily satisfied.

Wanda Luftreit and Louise Moore entertained guests at their meeting Saturday night at 7:30 and plans for a luncheon to be held next Saturday night were completed. The luncheon is to be held for the purpose of raising money for the annual project of the club.

Plans were also discussed for the spring uniting to be given next quarter. Besides the regular members, Mrs. Miles, sponsor, was present.

Alpha Theta Club Entertains  
With Buffet Supper Friday

Cupida and large red valentines against a background of ivy created a gay setting for the Alpha Theta buffet supper Friday night at the home of Mr. and Mrs. J. N. Armstrong. Red and white tapers lighted the lace-covered tables centered with red and white carnations. The Evang room was fully lighted by red tapers presenting cups penciled in spray of ivy.

After the dinner the group played take-a-game in the living room. Valentine vectors were drawn from a decorated box.

Club members and their valentines were: Iwanna White and Lloyd Wheeler, Ruth Bradley and Theodol Gouer, Susie Carl and Lloyd Collifer, Mildred Royal and James Know, Florence Kurver and Boyd Neill, Ernest McFadden and Charles Blanton, Royce Anderson and James Williams, Eunice Evan Barber and Virgil Gillary, Grover Hill and Donnie Allen, Earl Coleman and Laverne Houts, Normanda Webb and Dean Lawyer, Mary Carroll and Forrest Massey, Mrs. E. R. Bragston, sponsor, and Zelma Blankenship. Mr. and Mrs. Armstrong were guests of honor.

Valentine Party
Given by MEA Club

The meeting of the M.E.A. club Saturday night at 7:30 was in the form of a Valentine party and was held in the kitchenettes.

The business meeting consisted of completing plans for the annual banquet which will be held Thursday night. After business meeting a Valentine game was played and a C. R. Defense Stamp was given as a prize. Refresments were served.

Bandages Folded
By WHC Club

As a means of doing their part for the war effort, members of the club, with their sponsor, Mrs. F. W. Martin, folded bandages at the local U.S. headquarters at the City Hall in Searcy, Thursday, from 11:00 to 3:00 p.m. According to their pres., Emalene Alexander, folding bandages must be done with a great deal of precision and in, therefore, no talk. These girls plan to do work of this type as often as possible for the rest of the school year.

Toefteb Banquet Held In Home Ec. Dining Hall Friday  
Theme Is Patriotic

Using a patriotic theme for their dinner the TOEFTEB, an organized group of home economics students, held a banquet Friday evening in the home economics dining room.

Plan cards were miniature "Uncle Sam's" and the center piece for the tables was a drum with white flowers and red carnations. The curtains were made in the bust of Lincoln white on blue celery and red on white frame.

The invocation was given by Dr. Lawrence, and following, Mabel Grace Turnage, club president, welcomed the guests. The response was given by Lucille Beniam. Dr. Summit spoke to the group and Genie Dickens read a prologue.

Following the banquet the TOEFTEB and guests went to the home economics dorm and saw "The Black Swan."

The guest list included the following: Olita French, Lucille Buckett, Jesse Dickens, C. W. Bradley, Mary Baggert, Jack Ossow, Mabel Grace Turnage, Carole Rickett, Elisa Lawrence, D. C. Lawrence, Dr. and Mrs. Armstrong.

Ju Go Ju Club Uses Valentine Theme in Banquet At Mayfair

"Come Into My Heart," said the Ju Go Ju club members at their annual banquet given Thursday night at 7:30 as guest entered the Mayfair Hotel through a huge heart, framed the doorway. To carry out the invitation was given by Dean L. C. Sears. Following the welcome address by Dorothy Healy, club president, Dr. D. M. Harper responded on behalf of guests. Between the courses the girls' trio, Elizabeth Alexander, Ilse Maed Miller, W. W. Price, with Eugenia Stover as accomant, sang "Ring My Country Night." Edwin Stover played a violin solo, "Swan Lake." 

A prophecy of future years and a wealth of present members was read by Thedal Garner. At each place was a candle and in order to have the candle lighted it was required that each person ask a question until any subject chosen. Each person, as they entered the hall, the note on which was written a wish into a "Wishing Well," and it is certain that all the wishes came true.

HomeEcGirls Try Sewing

BY CLAUDIA RUTH PRUETT

Producing the last garment of this term of sewing, the homeroom girls in 102 are becoming pretty good costumers.

During the term the girls have made a velvet gown, a wool skirt, and a rayon dress, which are being sold at higher dollars. Some of the girls in this class had never used a sewing machine before, nor tried to make a dress. First of all they were faced with the machine, how to use a pattern, and the seams that are most important.

After these lessons the girls began to work on their outfits. The conclusions they found was that those stitches would come out if the planse happen to be sewed in up-side-down. Then there were difficulties in making some of the dresses big enough, and even the dress that has at last come to completion, most of them are in need of alterations.

Each girl is a partner that helps her fit her dress and takes the hems. After the hem and even the dress has at last come to completion, most of them

Lookin' 'em Over
BY CLAUDE RICHARDSON

Just as quickly as it began, the volleyball tournament was suddenly and suddenly quickly finished. The Seminoles displayed some excellent team work, but they didn't have a hard time getting to their hardball game. They didn't have to look too far to find someone who could drive the ball. They were serving a steady stream of hard drives to the net. Their serving ability was a great help to the Seminole team. The Seminoles composed their downfall, as the Creeks fell two losses. They beat the lowly Creeks. The Creeks fell to the Seminoles in the first round and then to the Seminoles in the second round. Their serving ability was a great help to the Seminole team. Theirs was a hardball game.

The Correspondence Division was busy with the correspondence division manuscripts. The theme for this division was "Our Faith," which was chosen by Dr. Benson, the head of the speech studio, and at the head of the students entering the auditions. There are no fees, but the few cents of actual cost for equipment and work and typing will be billed to the student at the end of the month. The division director will not be responsible for the cost of records entered. This cost must be borne by the student individually.

Critique judges for the festival will be Miss Bertha Stevens and Mr. W. F. West, both of the Music Department. Mrs. W. F. West, Mrs. C. R. West, Mr. A. C. West, and Mr. W. F. West will be the critique judges for the students. The judges will be selected by the students. The students must be in attendance to receive the ribbons. The awards will be presented by Raymond Sawyer for scoring honors, by Homer Tye for first place, by Frank W. Tye for second place, by Frank W. Tye for third place, by Frank W. Tye for fourth place, by Frank W. Tye for fifth place.
