Student Association Minutes

The Executive Council met at 6:00 pm on September 13, 1966. All members were present. After Mike Moore directed the devotional, the meeting itself began.

President David Smith opened by suggesting that each member of the Council make a special effort to read each week's minutes in order to refresh his memory concerning topics discussed. To simplify such, it was suggested that the minutes would be left in the office each Friday afternoon for availability.

David also suggested that it might be a good idea for him to post the agenda on the SPAC bulletin board before each meeting.

The Council then proceeded to discuss the first week's activities. In regard to the "Yes Sir, I'll Help" forms which were passed out in registration line, it was suggested that such be divided into groups according to classification. It was suggested that Marilyn Griffin be placed in charge of separating the forms.

David then suggested that all reports concerning the activities which took place during the first week of school be brought to the secretary as soon as possible for filing.

Further old business was then discussed. First, David reported that Sammy Hester had been put in charge of the Emerald Room for fifteen hours a week. The Council decided that it might be a good idea to see about another worker so that the room could be open even longer each week. Bill
Howard and Mary Beth Parks were placed in charge of re-arranging the furniture in the room. It was suggested that Mrs. Mason be approached concerning additional decorations for the room, also.

The next topic of discussion was that of the Service Men's Board. The Council agreed that the whole idea needs to be examined and revised. It was suggested that the board be turned over to one of the special interest clubs on campus. The possibility of moving the Chapel Announcement Board to the place now occupied by the Service Men's Board was discussed.

The Council decided to hold a brainstorming session next week concerning the "Highlights" record, and Mary Beth Parks, John Black, and Sherry Balthrop were instructed to assist Ben Huey with the details of the record.

Bill Howard was instructed to place tags on the articles in the Lost and Found and to be in charge of cleaning it out every now and then.

The Council decided that there was no real need for a suggestion box in the Student Center, but rather students would be encouraged to express themselves to their class representatives.

The Council concurred that SPAC is currently in an inconvenient place and that a space on the front bulletin board in the Student Center would be better for our use.

David then checked to see that all assignments made during the pre-school conference were being carried out. In
connection with this, Linda Byrd presented her calendar to the Council for approval. The calendar met the approval of the group, and it was decided to order as many as the print shop could produce with one plate.

There was no more old business to be discussed, so new business was introduced.

The first thing discussed was the Leadership Conference. Linda Byrd and J. Ray Toland were placed in charge of this project. After much discussion concerning the date of such a meeting, Mike Moore moved that it be held on October 1. The motion was seconded and passed. Mike then moved that the Club Officers' Workshop be held on September 24. That motion was also seconded and passed. Mike Moore and Barbara Neely were placed in charge of arrangements for that meeting. Barbara moved that Joel Anderson be invited to speak at the Leadership Conference as the keynote speaker. Her motion was seconded and passed.

The Council decided to hold class officer elections on Tuesday, September 20 and freshmen class officer elections on September 27. It was suggested that three different polls be set up for the upper class elections, and that class representatives be placed in charge of obtaining workers for the tables. It was also suggested that we try to obtain "I have voted" tags from the American Legion or the League of Women Voters.

The Council decided to recommend that the football game on October 1 at Arkadelphia be considered for an all-school
The Council marked preferences for the movie to be shown on Homecoming night, and the results were given to Kyle Smock, Movie Chairman.

The group concurred that 6:00 would be the most advantageous time for regular meetings.

Mike Moore moved that we forget making the school directories that had been earlier suggested. The motion was seconded and passed.

As no further business was brought up, the meeting adjourned at 8:00 pm.

Respectfully Submitted,
Sherry Balthrop
Student Association Secretary
