STUDENT ASSOCIATION MINUTES

The Executive Council met at 6:00 pm on October 11, 1966. All members were present. After a short devotional led by J. Ray Toland, the group began to discuss old business.

The first topic of discussion was that of the tutoring society. David reported that a lot of work is being done on the organization, and that, by October 15, all department chairmen will have been contacted.

David also reported that Mr. Tucker had made the following announcements:

(1) It is possible for the SA to use the buses for the transportation to the chili supper on October 21.
(2) The chapel announcement board will be moved to the front of the Student Center.
(3) Mr. Mason has been contacted about the Circle K sign being moved.
(4) The SA has been given a space on the front bulletin board in the Student Center for posting of information.
(5) Unless there is a real demand for Dr. Pepper machines in the dorms, the situation will be left as it is at the present.

The major topic of discussion was that of Homecoming. Connie Taylor was placed in charge of the formal chapel presentation of the Queen and her court. The Council decided to use senior football players in the program as escorts.

The schedule for Friday night, October 21, was presented to the group. A chili supper, bonfire, pep rally, and Hootenanny were listed as the activities for that night. Bill Howard, Dave Young, and Lundy Meely were placed in charge of the supper itself. J. Ray Toland was placed in charge of securing the buses for transportation. Ben Bob Booth was named as the person in charge of the bonfire. Mike Moore and Sperry Balthrop were instructed...
to organize the Hootenanny.

Saturday's activities were then discussed. The Council decided to begin the car caravan at 1:00 pm, having the cars line up before 12:45 pm. The possibility of inviting a high school band from Searcy was discussed, as was also the possibility of inviting the mayor to ride in the caravan. The group decided to send a memo to each club president inviting that club to prepare a sign for the parade and march with that sign. Mike Moore moved that both boys' and girls' clubs be approached concerning this. The motion was seconded and passed. Helen Howell moved that a prize be given to the best decorated girls' car and the best decorated boys' car. The motion was not seconded.

The Council decided to continue the Queen's Float as it was presented last year. Tom Baxeman and Danny Costen have been placed in charge of the designing of the float. The group decided to try to use the float for the half-time activities if possible. The movie for Saturday night was considered. Oklahoma has been scheduled, but because of the great number of people who will be on campus there is going to be a problem with space. Mike Moore moved that, if possible, a second movie be obtained in addition to Oklahoma. The motion was seconded and passed.

It was moved and seconded that late permission be secured for a Victory Party Saturday night. The motion failed. Sharon Howell moved that a Lily Pond Devotional take the place of the Victory Party. The motion was seconded and passed. Barbara Neely moved that both the Victory Party and the Devotional be held. The motion was seconded and failed.

The Council decided to put a Homecoming display on top of
the Student Center ledge. J. Ray Toland moved that the "Benny the Bison" be reconstructed and used for that display. The motion was seconded and passed. Helen Howell and Mary Beth Parks were placed in charge of such an undertaking.

Sammy Hester was placed in charge of obtaining programs for the Homecoming game. Marv Roberson was placed in charge of the half-time activities. And Bill Howard was placed in charge of examining the possibility of releasing helium-filled balloons during the half-time activities.

Each Council member was instructed to see David Smith by noon Saturday, October 15, in regard to the above assignments.

David Smith reported that Dr. Pryor was going to check with the athletic committee about cheerleader elections being placed under the supervision of the SA.

The Academic Awards for last semester were scheduled to be awarded next week if possible.

The group then turned to new business. David announced that the Young Republicans' Club is interested in helping with a mock gubernatorial election. He reported that they would furnish the ballots, and that they have chosen the tentative date as October 17.

Dave then made assignments to the Faculty Committees. J. Ray Toland and Barbara Neely were put on the Student Affairs Committee, Sherry Balthrop on the Academic Affairs, Mike Moore on the Public Relations, Linda Byrd on the Teacher Education, Bill Howard on the Athletic, and Dave Young on the Academic Scholarship Committee.

The need for a study hall on Sunday night was discussed, and David Smith was instructed to talk with Dean Pryor about the problem.

The meeting was then adjourned.
