STUDENT ASSOCIATION MINUTES

The Executive Council met at 6:00 pm on October 18, 1966. After a short devotional, the group began to consider old business.

David Smith handed out schedules for the Christian College Conference and encouraged everyone to examine them carefully. He reported that there will probably be at least twelve schools in attendance. J. Ray Toland moved that the SA pay $0.50 a mile to the drivers who pick up delegates in Little Rock. The motion was seconded and passed. Mary Beth Parks moved that the SA print 150 Student Association Handbooks. That motion was also seconded and passed.

The second and major topic of consideration was that of Homecoming. The chapel program, bonfire, chili supper, Hootenanny, float, and devotional were discussed. Barbara Neely moved that the SA award a $5.00 prize for the best club car in the car caravan. Her motion was seconded and passed. The group also decided to try to get the Searcy High School Band to march in the caravan. David announced that there will be two movies shown Saturday night. Ivanhoe will be shown in the American Heritage Auditorium, and Oklahoma will be in the large auditorium. David encouraged each Council member to present a report as soon as possible on his project or projects.

The Council then decided to hold the mock gubernatorial election on Thursday, October 20.

The group decided to let the situation continue as it is now as far as radio-playing in Kendall Hall is concerned. The Council
concurred that there was not enough objection to the 10:00 pm limit on radios as had been suspected.

The group then considered the problem of noise in the library. Dr. Pryor's letter asking for suggestions concerning this problem was read. Such possibilities as monitors, room dividers, rearrangement of shelves, etc. were discussed. The Council agreed to let Don Johnson, Academic Affairs Chairman, talk to Dr. Pryor concerning these problems.

The Council also discussed the problem of walking on the grass. Possible solutions to this problem were considered.

The necessity of a place to study on Sunday night was the last topic of consideration. The Council discussed both a supervised study hall and the opening of the library at that time.

As there was no further business, the meeting was adjourned.

Respectfully Submitted,
