STUDENT ASSOCIATION MINUTES

The Executive Council met at 6:00 pm on November 15, 1966. All members were present except for Barbara Neely.

The first old business considered was that of the chapel program dealing with our grass problem. Because the film clip about the grass problem was not seen by the people in first chapel, the Council decided to show a portion of it on November 16. And because Dr. Gilliam's speech on chapel manners was not given in second chapel, Dave Young moved that it be made on November 16, too. The motion was seconded and passed.

David Smith then gave the Council a tentative schedule of speakers for "The SA Speaks." David himself was scheduled for November 17, J. Ray Toland and Barbara Neely were listed for November 24, Mike Moore was given December 1, Sherry Balthrop and Dave Young were scheduled for December 8, and Linda Byrd was placed in the December 15 opening.

David then requested that all reports and evaluation sheets of the Christian College Conference be handed to him by Friday, November 18.

While discussing the administration's decision not to grant the SA's request that Friday after Thanksgiving be a student holiday, Helen Howell moved that the SA recommend that lectures be scheduled so that students may more easily attend. The motion was seconded and passed.

Dave Young made a short report on the proposal for signs for the offices on the second floor of the Student Center. He was asked to discuss the selection of such signs with Mr. Tucker.

The first item of new business discussed was that which
concerned the new washateria. J. Ray Toland moved that the SA recommend that the washateria be opened at 6:00 am and closed at 11:30 pm. The reasons for such a request were: (1) It would be more convenient for boys to do their wash early in the morning or late at night. (2) It would probably be quite helpful in enlarging the number of people who use the facilities. The motion was seconded and passed.

A committee consisting of Malissa May, Lundy Neely, and Bill Howard was appointed to study the possibility of reserving one television on campus for "special request" programs.

Mike Moore moved that, in addition to the alma mater being sung on short chapel days, the SA also provide for the pledge of allegiance or the singing of another patriotic song. The motion was seconded and passed.

December 1 was announced by David to be the date for the first general SA meeting.

A committee made up of Helen Howell, J. Ray Toland, and Mike Moore was appointed to study the situation existing in the Emerald Room. They were asked to examine possible improvements and alterations.

The major topic of discussion was that of Christmas plans. The Council decided to work through the social clubs on campus for the preparation of food baskets for the needy.

The group decided to send each of the faculty members and staff members a stick of peppermint and possibly a card as a gesture of appreciation.

The Council agreed that a scene on top of the American Heritage Center would be quite good.
It was suggested that caroling for the Old Folk's Homes be placed under the direction of Jim Hanna if possible.

December 12 was suggested as about the only day when Christmas carols might be sung in chapel. The Council never decided to plan such a program because the Christmas party is scheduled for December 11, and songs will be sung then.

Mike Moore moved that the SA sponsor a poetry writing contest for the Christmas season. The motion was seconded and passed.

The "Dolly Drive" and "Toy Drive" were both definitely desired by the group. J. Ray Toland was placed in charge of obtaining boxes for the toys and dolls.

Mike Moore moved that the SA award a ribbon and a loving cup to the first place winner in the "Dolly Drive" and a ribbon to each second and third place winner. Bill Howard was asked to order the cups and ribbons unless one of the Council members could arrange to buy them in person. Lundy Neely was asked to order the certificates to be awarded to 100%--participation clubs in the drives. He was also asked to fill out the certificates at the appropriate time.

Because the discussion of Christmas activities concluded the agenda, the meeting was adjourned.
