Dear Brother Bradfield:

This time I come seeking your help. If this is not in your line will you see that it reaches the proper one for immediate consideration.

A very small group of Christians are meeting in the city of Prince George, British Columbia, 500 miles north and west of Calgary. They would like to obtain the services of a preacher for the summer months.

I wondered if you might have a second or third year student that would be interested in the frontiers of Canada. I realize it is rather late to be seeking the service of a young student so near the close of the school term.

The church, though small would attempt to pay $250. per month plus transportation of travelling to Prince George.

Prince George is the center of a lumbering belt. The strongest denomination in the town is United church, a union of the Methodists and Presbyterians.

If you can recommend someone for this field would you have them get in touch with me. Thank you for any assistance that you may render.

Brotherly,
