The Executive Council met at 6:00 pm on January 3, 1967. All members except Linda Byrd were present. President David Smith requested all members to read their old memoes before the next meeting. Following that, old business was discussed.

David reported that Dr. Ganus and Mr. Tucker had approved the united effort to obtain new movie equipment which the SA had suggested. David also informed the group that Mr. Bennett had begun to look for the equipment. Dave Young moved that the SA share the cost of new equipment with the administration and do so officially. The motion was seconded and passed.

David Smith then asked Dave Young to prepare a report on the ASGA for the next meeting. David also reported that the heating system in Graduate Singles had been improved.

The next topic of discussion was that of Dead Week. The possibility of a complete day without classes before tests in the spring was considered. David proposed that Don Johnson be contacted in regard to this suggestion.

The Council decided to inquire about the cost of printing an orientation syllabus. David suggested that a committee be appointed at the next meeting to deal with this project.

The possibility of an election study was also considered. Because there had been a thorough study made two or three years previously, the Council decided to consider that report.

In the discussion of a Representation study, the group concurred that its fellow-students needed to be contacted about
such a move.

The Council decided to schedule Friendly Week for the third week of the second semester. Linda Byrd and Mike Moore were placed in charge of the plans for the activities. The group decided to schedule girls' Open House for Wednesday night, February 8, from 8:15 to 9:30. Boys' Open House was scheduled for Thursday night.

Bill Howard and Lundy Neely were placed in charge of advertising and preparing for the Red Cross Blood Drive in April.

Dr. Ganus had requested a list of seniors (men and women) who would be capable of presenting a chapel talk. David requested that each member of the Council bring a list of ten names to the next meeting.

The problem of irreverent or inadvisable clapping in chapel was the next topic of discussion. The Council decided to ask the Bison to suggest a solution to the problem. Also, David reported that he would discuss the problem with Dr. Ganus and hopefully reach a conclusion about possible solution of it.

Barbara Neely, Malissa May and Bill Howard were placed on a committee to study the possibility of providing some sort of recognition or recreation for the foreign students of our campus.

The objections to Junior English Proficiency tests were presented to the group. J. Ray Toland offered to discuss the problem with those who objected to such, and David Smith offered to present the problem to Don Johnson.

As there was no further business, the meeting was adjourned.

Respectfully Submitted,

Sherry Balthrop, Secretary
