Tenor of Our Times is an annual journal publishing the work of current and past Harding University students on historical and social science topics. The title of the journal originates with the former chairman of the History and Social Science Department, Raymond Muncy, who often said, “Historians reflect the tenor of their times.” Tenor of Our Times is a student-managed publication, supported by a faculty editorial board, designed to encourage undergraduate scholarship in understanding the past and present. The journal will include quality student submissions as well as recognize the winners of the Raymond L. Muncy Scholarship from the previous academic year.
