The Executive Council met at 6:00 pm on January 31, 1967. All members were present.

First, the group discussed old business. Lundy Neely and Malissa May were asked to take phone pads to the dormitories as soon as possible. David Young was requested to submit a tentative schedule for the SA Speaks program as soon as possible. Lundy Neely was also asked to check with Sammy Hester about the supplies and materials in the Emerald Room. Barbara Neely was instructed to make sure that Evaluation Sheets for the Christmas projects were sent at the earliest possible date, to the children’s homes involved. Mike Moore and Malissa May were asked to obtain newspapers from the senior Christian Colleges.

David Smith reported that the SA’s suggestion concerning a memorial for Dr. R. T. Clark is already being considered by the administration.

The Council then entertained new business. Brother Dykes spoke to the group about the Youth Forum which will take place on March 10th and 11th, 1967. He explained the purposes of the Forum and requested the assistance of the SA in advertising and organizing the program. He also asked the SA to provide a reception for the delegates on Friday night, March 10. Any suggestions or ideas, he said, would be welcomed and should be turned in to Jake Vincent, David Smith, or Brother Dykes.
Kyle Smock, Movie Chairman for the SA, addressed the Council on the subject of the movie program. He and the group discussed the possibility of mimeographing the movie schedule for distribution to the student body. Barbara Neely moved that such be done, and that such schedules be passed out and explained in chapel. The motion was seconded and passed. Kyle then introduced to the Council the possibility of hiring Tommy Bateman, an art major, to provide five posters for the movie program. This would cost the SA about $20.00. J. Ray Toland moved that Kyle be allowed to contact Karen Cronin, the SA Advertising Chairman, about production of the necessary posters. He moved that the posters provided by Stan Green's class be supplemented by Karen. The motion was seconded and passed. The Council decided that printed tickets for the movies was an unnecessary item.

Next, Don Johnson, the SA Academic Affairs Chairman, spoke to the group about the Junior English Proficiency Test. The Council agreed that Don should write an editorial for the next Bison on the subject.

Linda Byrd gave a short report on the progress of plans for Friendly Week. She announced that any ideas for projects would be welcomed.

The hours of the Emerald Room were discussed. Dave Young was asked to call Mr. Vines concerning the situation.

David Smith announced that there would be a meeting of the Interclub Council Wednesday night, February 1, to discuss the possible creation of a Cabinet post to handle social club co-ordination.
Bill Howard was asked to supply possible dates for an auction of the Lost and Found articles. These dates were requested for the next meeting.

Dr. Gilliam then invited the Council to a spaghetti supper at his house on February 14 at 5:30 pm.

Because there was no additional business, the meeting was adjourned.
