Mr. John Allen Chalk
2001 Division Avenue
Dayton 14, Ohio

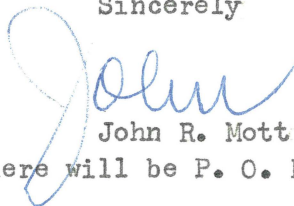

Dear John:

Mr. A. W. Gentry said that he would be in Dayton to pick up your furniture on February 1. He would like for you to employ two men to help him load the furniture. He thought that it would be easier for you to locate a couple of fellows than for him to try to find them. He will pay them or if you should then we will reimburse you. Gentry said that he would spend the night in Dayton and be at your home early Monday morning. If you would rather he wait and load you first thing Tuesday morning then let us know and we can change the plans.

As you know Broad street, Willow and Colleside have been taking month about on the daily radio program. February will be our month unless we arrange a swap. Since you will be beginning the work it would probably be good to go on the radio upon arrival. On the other hand I can see where it would be a handicap to try to start at once. Bro. Killom has already started January and Claude is scheduled for March. If you want to swap with Claude or if you want him to take the first week for you, let me know and we can arrange. At least you will want someone to take the first week of February.

The work here continues to go along pretty well although at times the absence of a regular preacher surely does put us under a handicap. Everyone here is looking forward with great joy to the day when you arrive to begin the work. With that attitude we should be in a position to accomplish a lot of good.

Sincerely

John R. Mott
