The Executive Council met at 6:00 pm on March 14, 1967. All members were present.

David Smith reported that he had discussed the prayer breakfast arrangements with Dick King in Conway. He informed the Council that the meeting would take place on April 15, 1967.

Next, David reported that the Christian College Conference evaluations had been made and mimeographed. He passed a copy of these evaluations to each of the members.

David requested that J. Ray Toland and Mike Moore submit a report on the Youth Forum preparations.

David informed the Council that Mr. Bennett has located several movie projectors for possible purchase. He expressed a hope that definite information would be available within a week.

David then reported that the Social Club Beta Tau Gamma had asked for permission to pay half of the expenses for the bulletin board in the Student Center. The group decided that such an arrangement would be satisfactory.

Helen Howell gave a summary of the policies used by the college laundry and dry cleaning establishment. The majority of the Council felt that receipts should be issued by the establishment. Barbara Neely moved that a recommendation be sent to Mr. Tucker concerning the issuing of receipts. The motion was seconded and passed.

The next topic of discussion was that of the Highlights Record. Margaret Ashton was appointed script writer. After a report by Ben Huey on costs and methods of production, the Council
decided to order a cover composed of red, yellow and orange half-tones and campus shots. The group also decided to try to bargain with the recording company which offered to do the job at the highest price. Sherry Balthrop moved, however, that if such bargaining failed the SA do business with that company anyway. The motion was seconded and passed. Lundy Neely offered to check on the possibility of having a picture placed directly on the cover. Several people were suggested for possible narrators: Art Hudkins, Andy Saunders, or Dick James.

David reported that the Academic Study would be talked about at the next meeting.

Next, two proposed amendments were submitted to the Council. These were as follows:

Amendment IX

Amendment V shall be changed to read: "Regular elections of officers of the Association shall be held of the last Wednesday of April."

Amendment X

Section 1

The Executive Council shall maintain a system of by-laws governing election rules and Council procedures not already covered by the Constitution.

Section 2

Any revision to the By-laws must be approved by an affirmative vote of \( \frac{2}{3} \) of the voting members of the Executive Council.

J. Ray Toland moved that the blank in Section 2 be made to read two-thirds of the Executive Council. The motion was seconded and passed.
Next, Helen Howell moved that the Amendments IX and X be accepted as presented. The motion was seconded and passed. David reported that the Amendments had been approved already by Dr. Ganus and that they would appear in the next issue of the Bison.

David passed a list of brainstorming ideas concerning the improvement of alumni contributions to each of the Council members and asked that they eliminate the poor ideas.

The handbook committee was reported to be working on their project.

Because there was no further business to be discussed, the meeting was adjourned.

Respectfully Submitted,

Sherry Balthrop, Secretary
