The Executive Council met at 6:00 pm on March 19, 1967. All members were present except for Bill Howard.

The first item of business discussed was that of the Blood Drive. David Smith asked that an announcement be made in chapel concerning the drive.

David then reported that Mr. Bennett has secured two projectors for possible purchase. Mr. Bennett informed David that the equipment should be here by May 1, 1967. The price that he quoted was $8,000-10,000.

David reported that two dates—May 4 and May 11—are available for chapel programs. He suggested that the SA reserve one or both for presentation of the Highlights Record, and a patriotic program, presentation of the new council, and discussion of the movie project.

The next topic of discussion was that of the record. David reported that it was nearing completion. Andy Saunders was chosen to do the narration for the project, and Roy Terry was chosen to design the cover. After a great deal of discussion, Linda Byrd moved that the SA change previous plans and order the records from Jaggers Recording Company. The motion was seconded and passed.

The Council also agreed to check the price of 750 records. The cost of an individual record was set at $2.00.

Then the Council discussed problems concerned with scholarships. This was done in connection with the Academic Study. The Council agreed that it might be wise to invite a faculty member to join later discussions on the topic.

Next, the group considered some of the Brainstorming ideas concerned with improving alumni contributions.
Next, Roy Terry brought the planned cover of the Highlights Record for the Council to examine. Sherry Balthrop moved that we adopt the cover presented. The motion was seconded and passed.

The group then decided to plan a patriotic program for either May 4 or May 11. David was in favor of reserving both dates, and the Council concurred that such would be wise.

The Prayer Breakfast was the next subject on the agenda. J. Ray Toland moved that the SA pay expenses for the delegates sent to represent Harding. The motion was seconded and passed. The group decided to send approximately eighteen people. Linda Byrd moved that the SA also fill the gas tanks of the cars taken to the Breakfast. That motion was also seconded and passed.

Because there was no additional business to be discussed, the meeting was adjourned.

Respectfully Submitted,

Sherry Balthrop, Secretary
