In My Opinion

Dear Editor,

In our opinion there's too much talk and not enough actual action on the part of Harding's students. One of the things that most people would like to see happen is that Harding would get rid of this color war. Frankly, we feel that it is a thoughtless and unnecessary thing. If the students can't get along, they can't do anything else.

C. M.

Dear Editor,

We feel that our president has made it very difficult for us, students. We have the feeling that he is not interested in our problems. We think that he should be more concerned with the students than with his own personal ambitions.

M. J. A.

Dear Editor,

I would like to say that I have enjoyed the school spirit here at Harding. I think that the students are very dedicated and that the administration is doing a good job.

S. B.

Dear Editor,

I am writing to express my concern about the lack of discipline on campus. There are too many students who are2 behaving in a way that is not conducive to a learning environment.

R. M.

Dear Editor,

I think that our school is doing a great job of providing a good education. However, I feel that more emphasis should be placed on character education. We need to teach our students to be good citizens and to respect others.

J. S.

Dear Editor,

I am appalled by the recent events on campus. It is unacceptable for students to behave in such a manner. I hope that the administration will take action to prevent this from happening in the future.

Baird-Gately

The marriage of Miss Letitia Longley to Aviation Cadet Clark (Mr. and Mrs. W. C. Batchelor, Searcy), was performed in the presence of many friends of the couple.

The bride, a daughter of Mr. and Mrs. W. C. H. Batchelor, was attired in a cafe au lait-colored voile dress, with a matching veil, and carried a shower of white gladioli. The light at the altar was furnished by slender white tapers in glass candle holders.

The ceremony was performed by the Rev. Dr. E. Wilson Lacy, who was also the officiant at the marriage of Mrs. J. B. Jones, of Searcy, to Mr. and Mrs. W. L. Jones, of Little Rock, in 1938.

Miss Kellem Honored by Tea

The regular faculty tea at 4:15 Tuesday, January 24, was held in Boulevard of Miss Vivian Kellem, first assistant in the English Department. The tea was given in the home economics dining room. Miss Kellem received the guests.

A soft background of piano music was played throughout the tea by Curtis Price. The room was lighted with red, white and blue candles. The refreshments on the serving trays included scones, fruit and cream, and tea sandwiches served on white china platters.

The refreshments were prepared by the home economics department.

Alpha Thetas Entertained

Mary Council, Mary Hargraves, and others from the Alpha Theta Club entertained the Alpha Theta Club at the Home of Miss Grace Thompson, 1001 E. 4th Street, Friday evening. The Alpha Theta Club is a woman's club that meets on the campus during the winter function.

Sophomores Announce Project

The sophomore class announced Friday plans for their project. The class decided to clean all the debris off the South Campus, enabling the grass to come through and the land to be more usable. Each member of the class is to do five hours of work or five hours of work to accomplish this. They are also to take part in the beautification of the campus. Miss P. G. M. Smith, president of the class, urged all sophomores "to get the spirit and carry through as before."

Academy News

The Miss Deb banquet will be held on February 12 at the Hayter Hotel.

The K. C. T. Club has elected new officers, as follows: President, Virginia Smith; vice-president, General Randalls; secretary-treasurer, Ruth Beams.

The Crusaders, a new high school boys' club, has elected vice- captains, Lefton and the team is in green. The club consists of seven members. James Reid is president.

The boys in the senior class are now selling $2.00 subscriptions to the yearbook and the boys are free in number but with Annette's spirit and vitality in our class we can do the work and accomplish as much as a larger group.

One never sees Annette without that friendly smile of hers and attitude of "if you need me here, I am here." She makes beautiful pictures and maybe that accounts for her hobby being taking and collecting pictures. Perhaps, too, you have noticed her constantly being smiley. This is typical of this little señorita for she always looks as if she had combined all the food values of the Harding College cheese.

But let me tell you more of her charms. The beauty of Lemmon, Minnesota, but graduated from the Arkansas College at Batesville where she was a member of the Ju Go Ju. She is at present in Austin, Texas, where she was a member of the Tagma Harding.

The only thing she can't think of that she doesn't like is guns, but she usually goes for soldiers. And just what the connection is I will let you guess for her favorite song is "California, Here I Come." Annette is living in the army, but what she will do in the future depends largely upon the war. In this immediate future—for the decision—she thinks perhaps she will make use of the expected degree by working in an office this summer and teaching this winter.

Annette is the type that will make a go of most anything she determines to do and whether it is raising the morale of the army or using the paper we say any "do your best!"

Boys' Basketball

SENIORS 11 - JUNIORS 28

The seniors added another victory to their record Monday when they defeated the juniors, 31 to 25. This is the closest the juniors have come in winning since the season opened in September. The score was very close the entire game with the seniors winning by only six points.

Kerrit Ay, captain of the senior squad, made nine out of ten free throws, and fired eleven of his twenty-three shots. The seniors however, converted only two of the thirty shots the juniors made. The juniors made two of their six good. The juniors have not won any games this season.

Sophomores 39 - Freshmen 25

Leverett and the sophomores were defeated by the freshmen 39-25, but they had in reality played hard to do it. The score was tied at the half. In the first half, Leverett placed shots away from the basket. He also led his team in blocking, making five field goals, and was not able to score in the second half.

FRESHMEN 44 - SENIORS 17

The freshmen had no shortage of field goals, and were not able to score in the second half.
