The Student Association met for its first regular meeting Tuesday night, September 12, 1967, in the Student Association office at 6:00 p.m. Ronnie Reeves conducted the devotional with a prayer.

Mike opened the meeting with his expression of gratitude to the Council for the good jobs done on first week activities. The Council was reminded to send thank you notes to those who helped in the activities.

Two letters to the Council were read. One was from Linda Byrd and the other was from the Big Sisters who expressed their appreciation for the SA bell-hops furnished the opening days of school.

**Religious Report**

President O'Neal reported that tonight and every following Tuesday night, an all men's devotional would be conducted in the lobby of the New Boy's Dorm at 10:10 p.m. He also told that the final approval from Dr. Ganus on the report concerning the mission groups is due tomorrow, September 13.

**Record**

Mike announced his appointment of Rick Venable to be in charge of the finances and marketing of the 1967-68 record.

Dr. Gilliam conducted two brainstorm sessions to get ideas for the record content and marketing. The ideas are recorded on the following pages. In a supplement.

The following suggestions were made by the Council for the record narrator.

Tom Reppart
Art Hudkins
Andy Saunders
George Edwards
Patty Bowman - (co-narrator with a boy)

Council suggested these people as possible scriptwriter.

Patty Bowman
John Black
Doug McBride
Judy Coffman
Sherry Balthrop Organ
Dr. Gilliam suggested that Dr. Atteberry be asked to check over the final script before it is recorded. Dave proposed that a head scriptwriter could be chosen and he choose his needed assistants.

There was a long discussion concerning the sales of the record. Some of the thought represented were as follows:
- Dave: Have a dollar deposit by order with total cost being $2.00. The unordered records be $2.50.
- Ron: Have a dollar deposit for orders with total cost of record at $2.50. Unordered records cost $3.00.
- Richard: Have no pre-sale through orders. It would hinder sales and cause loss of promotional value of record.

Helen moved that the discussion be laid on the table. Mary Kay seconded the motion, but it failed to pass. The council agreed to commit the problem to Richard for his detailed investigation. Richard is to report his findings to the Council two weeks from tonight.

**Student Directory**

Mike showed a directory for Florida State University could be printed free, which could not be completed until November 1, 1967. The Print Shop would have the directories ready by October 1, for $.17 a piece. Dave moved that the Council order the books to be printed from the Print Shop. Gailyn seconded the motion and it passed. The following reasons were vocalized for paying for the directories:

1. Get to Student body earlier.
2. Problem of returning $.25 to 710 students if order free books.
3. Administration, for sure, approved of the use of Herman West.

Dr. Gilliam suggested and Rich agreed to investigate the possibility of having Faculty-Staff directory added to Student directory if the total cost of the directory is still below $.25.

Sam moved that 850 directories be ordered and Gailyn seconded such action. The motion carried.

**Activity Calendar**

Gailyn reported his investigations about the student calendar. The new type printed calendar of a folded sheet would cost $100.00 for 500, including both labor and cost of printing. To print the
four mimeographed sheets would cost $26.00 for 700 if done by Mr. Dykes in the Bookstore. Sam moved to order the mimeographed calendar and Mary seconded. The proposed action carried. 

Advantages of this calendar were:
1. Its cheapness.
2. Rip off months as passed.
3. Stencil could be reused.

Dr. Gilliam suggested that holes be drilled into the top of the calendar to make possible placing it in notebooks. He also thought it would be good to check for a smaller type. Mike placed Helen in charge of the calendars. She was to have an announcement made in chapel for events faculty and students would like printed on the calendar to be reported to her by 5:00 p.m. Wednesday, September 13.

The date of pledge week had to be determined. Mike gave the idea of leaving the responsibility of date recommendation to the Council of Presidents. Mike mentioned the proposed week dates and their activities.

        Homecoming next week

Mary moved that the sixth week be recommended as the best week for Pledge Week. Sam followed with a seconding. The motion carried. Mike placed Mary in charge of drawing up the formal recommendation to take to Dr. Pryor.

Chapel Programs

The Council chose October 27 for the day to introduce the Homecoming Court in chapel.
