On October 3, 1967, the Student Association met in the SA office at 6:00 p.m., with the presence of all the Council, including newly elected freshmen representatives, Carol Markham and Rick Harris. A prayer led by Richard Davis opened the meeting.

**Old Business**

Mike called the meeting to order. He announced that Marvin Robinson had agreed to conduct the half-time activities of the Homecoming game. The Council voted that George Edwards be asked to be commentator for the half-time court ceremony. After much discussion, it was decided to have the royalty of Homecoming to seat on the queen's float at the end of the field on the track during the game.

**Homecoming Assignments**—President O'Neal gave the following assignments to Council and Cabinet.

<table>
<thead>
<tr>
<th>Programs</th>

</table>

The time schedule for the chili supper was decided.

- **5:00 p.m.**
  - Serve chili (sooner if possible)
- **6:30**
  - Pep rally
- **7:00**
  - Devotional
- **7:30**
  - Back to campus
- **8:30**
  - Lyceum and Movie

Gailyn moved that entertainment be at the pavilion where the chili is to be served. After Rick's second, the motion carried.

**Student Directory**—The directories will be in the SA office at 8:00 a.m. tomorrow. Richard Davis announced his plans to sell the books in the Student Center Wednesday and Thursday afternoons along with the remaining calendars. An announcement is to be made in chapel tomorrow about the sales.
Record—Mike announced that chapel on November 27, would be used for the first pre-sale promotional of the new record. Rick Venable is in charge of the program.

Movies—The following movies were announced to be shown this semester.

"Sons of Katie Elder"
"The Disorderly Orderly"
"A Man Could Get Killed"—Homecoming
"Father Goose"
"Fate is the Hunter"
"The King and I"
"Im Perss File"

The Council decided to have the dates and movies mimeographed to distribute to the students in chapel.

Leadership Conference—Sam reported the following topics for the conference, October 11.

Campus Behavior
Religious Atmosphere
Academics —
Homecoming (possibly Sadie Hawkins Day)
Harding’s Future

Homecoming Brainstorms—Mike read ideas from last year’s Homecoming brainstorms. The Council made some additional suggestions.

Sign between telephone poles at end of field.
Silent Day—Friday—to save spirits for game.
Funeral for other team.
Gold-finger Day—pay for paint.

The Council favored having a funeral at the pep rally with a silent procession to be conducted to the bonfire. Was suggested to use one of the hearses of the students to take the coffin to the fire where it would be burned.

Council like the brainstorm idea to have a score-yardage prediction contest for the Homecoming game. Dave Young was placed in charge of the contest.

To welcome alumni on campus Homecoming, signs will be placed on the front of campus.

David Young suggested selling game ribbons for the game. Ronnie Reeves moved that this idea be suggested to the cheerleaders and Bisonettes. Richard seconded the motion and it passed.

Fire Extinguishers—Rich had no report on the extinguishers as to date.
Christian College Conference—Mike reported he had not heard from Abilene about the conference. Council suggested Mike's calling Abilene to question about the approaching conference.

Off-Limits—Mary K reported that according to Dean Lawyer, all eating places with the exception of the White House, are off-limits when the sun goes down until sun up the next morning. Since permission can be easily obtained from dorm mothers to go to various eating places after dark for girls' groups, the Council chose not to act on this matter.

Late Permission—Dave brought up that many students do not know that they have late permission for home Bison football games. Mike said he would have this revealed to the students publicly.

Project—Mike read to the Council a letter to Dr. Ganus from a student requesting student participation in assisting the people of the Texas eastern border area where hurricanes have recently torn through the lands. The Council agreed this would be a very worthwhile project, but it is already actively involved in the GI project. The SA decided to have this idea suggested to the elders of the congregations here in town, expressing the student desire to help the churches in this project.

Line Cutting—The problem of line cutting at Patti Cobb Cafeteria was discussed at length. Sam suggested that signs of reminder be placed by the lines not to cut. Gailyn moved to have a funny chapel skit on the matter. After Sam's second, the motion carried. Gailyn was placed in charge of the skit. It was agreed that after the funny skit, there should be a serious application. Gailyn was also given charge of the signs to be made for the line. David Young suggested that a cartoon be put in the BISON to correlate with the matter.

Miscellaneous—Mike reported he had written about the obtaining of cars either free or at a discount for the possible school project.

President O'Neal also told Council of Dean Lawyer's favor about student representation on the Lyceum Committee and of the proposed Lecture Series. Richard reported he would have ready the series' recommendation revision by the weekend.
Record-Sam Hester told the Council that he had a letter of response from Dr. L.G. Sears about the SA's apology of the inaccurate history on the cover of last year's record. Dr. Sears said he would be willing to pay the bill to cover the remainder of the last year's history. Gailyn moved that the SA go ahead and pay for the covering of the history itself in respect to Dean Sears. Ronnie amended the motion to have the cover a picture cover of campus. Judy seconded the motion and amendment. Both proposals passed. SA's action is prohibited by the cost of the covers.

Chapel-Richard reported that the singers in Monday's program wish to thank the Council for allowing them to sing in chapel.

Mary K suggested that the devotionals be better planned to refrain from repeatedly using the same scripture reading.

The Chapel program for October 30, was definitely planned to be, "Meet Your Faculty," through the ID cards. Helen Howell and David Young volunteered to work with Dr. Gilliam in composing the program.

Dr. Gilliam reported that the Searcy High Band director has consented to perform in one of our chapel periods when needed, without his majorettes. They will be asked in spring.

Adjournment-Sam Hester moved that the meeting be adjourned and Judy seconded. At 8:30 p.m., the meeting was adjourned.

Respectfully submitted,

Helen Howell, SA Secretary
