STUDENT ASSOCIATION MINUTES

Tuesday, November 7, 1967, at 6:00 p.m., all the Student Association Council was present in the SA office for its weekly meeting. A prayer was led by President Mike O'Neal.

OLD BUSINESS

Reminders

President O'Neal gave the following reminders to individuals on the Council.

Line Cutting Campaign—Gailyn Van Rheenan
Chili Supper Report—""
Book Store Recommendation—Dave Young
Boat Report—Sam Hester
Sign Repair—""
Pat Boone Letter—Ronnie Reeves
BISON Moved—Lynn Rolan
Homecoming Program Report—Judy Worth
Parking Recommendation—""
Chapel Program Report—Dave Young
Helen Howell

Movie Advertising

Movie Chairman Roy Terry reported to the Council about the SA's rental of commercial posters for movie advertisement. Terry showed the group some two-column newspaper advertisements already purchased to use in the BISON. Next, he presented two different sized posters, a one sheet poster rented for $.75, and a three-sheet poster rented for $1.50. Roy verbally favored the renting of a large poster to make a bigger impression of the movie to the students. Such commercial displays were desired for the following reasons.

To remove the idea of going to chapel when going to the movie in the Ad Auditorium.

To make the movies more appealing to attend.

To improve relations with Stan Green who has had to make the movie posters.

To eliminate the stealing of the commercial posters, Terry presented the proposal to have two poster cases built, one for a larger poster, and the other for a smaller poster. These cases would cost about $20.00.
President O'Neal expressed his favor of only purchasing the smaller posters because they provided adequate information for the cheaper price. He stated that the larger poster would be extremely bulky.

Lynn Rolan moved the SA rent two small posters weekly to place as best fit. Ronnie Reeves seconded the motion and it carried. Dave Young moved to have a two-sided vertical stand built for one of the posters rented and Ron seconded the motion. One stand is already available for a poster. Terry estimated the cost of such a stand to be $12.00. The motion carried.

**Budget**

Mike reported that Dr. Ganus has stated the proposed SA budget increase could not possibly go into effect until next fall. The SA is to approach the board about this matter in the Spring.

**Coffee House**

The Coffee House previously voted to be opened tonight and Thursday night has been cancelled for the Thursday night due to the Talent Show at the Academy that night which is using the college talent.

**Record**

The chapel sales promotion is scheduled for November 27, the Monday after the lectureship. Although no chapel program is available before Christmas except for December 3 or 4, Rick Venable wishes to start sales during the lectureship through chapel announcements, and thus eliminate the November program.

Gailyn moved not to sell the records during the lectureship and Helen seconded the proposal. After the motion passed, it was agreed to continue with the plans of the promotional sales chapel program on November 27. Following are reasons for the previous action.

Need to start the promotional sales of record with a bang

Thanksgiving lectureship already involves trying to get money for Harding from the visitors.

A bang promotional in December is too close to Christmas for its success.
Powder Puff Game

Because of cold weather prevailing, Gailyn moved and Sam seconded the indefinite cancellation of the Powder Puff Game previously planned for this month. The motion passed with the talk of having the game near spring time.

Cars for Harding

An Impala stationwagon with automatic transmission and air conditioning, Mike reported to Council, would cost around $3,350 or two for $6700. For the students to purchase the cars for Harding, it would cost each student around $3.50. From requesting an average of $5 a student, probably we would be fortunate if each student gave around $3-$4. Following are some ideas discussed about this project.

- Have a set goal of 2 cars
- Have a public display of a record of money raised in the form of the car parts the money received could buy.
- Have an all-school fund drive for the cars.
- Have clubs compete in raising the money for the cars.
- Dave moved that SA inaugurate an all-school campaign to purchase two 1968 Impala cars for the school. Judy seconded the motion. It was discussed that the real purpose of the campaign is to instill in each student the true desire to give to Harding for now and in future years, not to pressure the money from the clubs through competition. The motion passed.

Since communication to the whole school is expected in this project, the following communication methods were suggested.

- Use Leadership Conference participants to promote campaign for they favored this campaign.
- Use leaders from all social clubs and other organizations to assist in the groundwork of the project.
- Use classes in competitive efforts.
- Use brainstorm at next SA meeting for ideas on project.
- Use pilot study method with selected campus leaders.

Mike asked the Council to think about ideas for a brainstorm for next week in an advanced discussion of this idea.
Lyceum

Nyal Royse has suggested the SA having the, "The Embers," a women's amateur barber shop quartet renown nationally, to perform on campus. Mike said he would investigate the group and the type music they sing.

Youth Forum

Upon request of Brother Dykes and Mike Frampton, the Council suggested the following for possible Youth Forum speakers. Stars are placed by the top five preferences.

Don Babb
Kent Brand*
Alan Eldridge*
Sam Hester
Wayne Hodnett
Bruce Logue
Hank McDaniel*
Ron Rubio*
Gailyn Van Rheenan
Roy Smalling
Freddie Woodruff*

College Church

In the discussion about the excellent student preachers on campus, Council stated that Harding students would be more receptive to student preaching on Sundays. Mike asked Sam to assist him in making a formal recommendation to the College Church elders, telling them about the complaints among students about the present preaching situation and giving to them the idea of using student preachers on Sundays.

Calendar Sales

Mary K asked Mike to have the Council excused from Chapel the day in September when calendars were sold.

Line-cutting

Gailyn asked the Council for suggestions in the proposed line-cutting campaign.

Slogan-"Cut the butter--not the line!"
Chapel skit to dramatize the line-cutting.
Signs around Patti Cobb Cafeteria!
Ticket punchers asking, "Did you cut line?"

Mike appointed Helen to assist Gailyn toward the campaign plans.
Lecture Series

Since speaker suggestions must be chosen next meeting, Mike asked the Council to bring a list of five suggestions to the next meeting. In choosing the candidates, it must be remembered that only travel expenses can be paid the speakers.

Boys' Meeting

Richard Davis reported to the Council about the meeting of wing representatives with Allison, Lawyer, and Pryor concerning the new rule on boys in Armstrong and West Dorms. It was agreed by administration and boys that there is a lack of communication between them. The men present approved the SA's formation of a Dorm Council for the boys and girls made up of elected representatives from each wing of the dorms, to start meeting in about three weeks.

The following is a summary of the Council's main discussion about the formation of the Dorm Councils.

Mike—Goal of Council is to get students involved in dorm discipline. Need to make a constitution, elect representatives, and then start meeting.

Judy—Best to get consensus of the whole school in an all-school election on whether or not to have the Council even though it is generally known that students want this body. Such an election would make the students feel more involved with this new body and get more student support.

Ron—Necessary to define scope of power behind this body as only disciplining in the dorms. Without clear definition of council power, it could eventually take SA power.

Sam—Urged that the Dorm Councils be under SA but have its separate functioning outside SA.

Dave—Proposed:

![Diagram of Student Association]

```
Student Association
   SA
   Vp
Boys Dorm Council    Girls Dorm Council
   Boys
   Girls
```
Mike—Favored Council work directly with administration in big dorm problems.

Gailyn—Need SA representation on Council.

Ron—Favored having administration sit in on Council meetings to iron out any objections to proposals.

Richard—The administration that works with Council needs to not be domineering but cooperative, as Dr. Joe Pryor.

Dave—Good to have Dorm Councils above the SA in their own realm of dorm matters which the SA does have the time nor knowledge to handle.

Sam—Expressed need to have from two to three SA members to meet with the Council.

Ron—Emphasized problems Dorm Council discuss would not be problems SA would know enough about to handle.

Richard—Moved to have a committee appointed for the forming a blueprint of the Dorm Council formation to have prepared for report the next meeting. Ronnie seconded the motion and it carried. Mike appointed Richard, Gailyn, Judy, and Lynn to the committee.

Council—The following were decided as the better ways for SA to communicate with students:

- Write articles for the BISON.
- Representatives send newsletters to class members.
- Council make a list of willing workers to use in SA and file.
- Communicate with participants and attendants of the Leadership Conference by written report on progress made on suggestions of brainstorms.

Mike—Asked Council members to bring a list of willing workers to assist SA in their work to the next meeting.

Sam—Reported his intention to send progress report to the Leadership Conference delegates.

Memo

Mike promised to send the Council members a memo this week of reminders.

- Lecture series suggestion list of five speakers brought to next meeting.
- List of SA helpers for next meeting.
- Reminder of SA brainstorm on Harding school project.
Assignment reminders
Unfinished business topics

Campus Behavior

Students have been complaining about the general behavior on campus in dress lengths, line-cutting, open petting, chapel courtesy, stealing, telephone courtesy, etc.

Richard recommended a detailed study on the problem, but Sam suggested the approach to the problem by sending to campus leaders reminders of their responsibility and example they represent to students in their every day life. Dave stated, however, that a study validifies and defines a problem. Mike added that Dr. Ganus likes to hear student opinion before acting on school policy.

Mike placed Sam in charge of the problem investigation with Helen, Dave, Rich, and Mike Frampton as assistants. Dave suggested Jimmy Allen's speaking in chapel on the matter. Mike informed the Council of a meeting Wednesday night with the campus religious leaders to discuss such problems as this one.

Adjournment

Richard moved and Judy seconded that the meeting be adjourned. At 9:00p.m., the Council passed the motion to dismiss.

Respectfully submitted,

Helen Howell
