APPEAL TO K-9 CLUB

Please Note

In the past there has been an bun as an ad on the cover of "The Varsity," just to make a little profit at the cost of the club. This was last year. The time of the annual appeal is again upon us. The need for more money has been brought to the attention of the club. With the coming of the new year the club has brought about a feeling of dissatisfaction among members of the club. The need for more money has been made clear. The last appeal brought in a large sum of money, which was used for the purchase of new equipment. This year the club hopes to raise even more money.

Edward Shewmaker Speaks in Chapel

The first in the series of senior chapel speeches was given by Edward Shewmaker, who spoke on last Thursday on the opportunities of Christianity. As a way to make the business of life easier and more satisfying, he said, "We should analyze our word 'opportunity', for the word 'chance' seems to have lost its meaning. In the case of the business of life, we should not only make opportunities for ourselves, but also for others.

Piano Concert Given by Orr

Howard Orr, American born pianist, gave a recital in the college auditorium Tuesday night, April 14. Mr. Orr opened the program with the "Spanish Spangled Hunter" and followed with a wide variety of musical numbers. Among the pieces which he played were those selections from "30 Rat Packers," "Sons in P Major" by Frederic Chopin, "Berceuse" and "Bourrée" by Chopin, "Giselle" by Adolphe Adam, "To the Tune of A Fin" by Rubens, "Ballerina in Gr" by Schubert, "Ehre", "Danzon", etc. The "Three in a Fin" by Rubens, "Scheno No. 3, C Sharp Minor" by Chopin, was concluded with program

Not until the last event of the day was the win of the 1944-45 Track and Field Day determined. So closely were the teams involved that it took until the last race of the day, the mile relay, to put freshman on top by one point. Final standing - freshmen, 53 points; juniors, 54 points; sophomores, 40 points; seniors, 22 points.

The jenons won by five places out of the 16 events while the freshmen only won one of the 16 events.

Only one new name was seen. Sidney Roper ran the 400 yard dash in 54.54 in 1943 while last year he ran 55.5, the old recored. For many of the events however the results were much as in the two years in the two teams.

Probably one of the most happy names in the list was that of sophomore Winnie Douthitt first and one second. She placed third and fourth in the 100 yard dash, high jump, low hurdles, pole vault, 400 yard dash, broad jump, and 200 yard dash. She placed third in the shot put.

Seymour Lupo ran in the girls' division. Baby Jen Wilson, a junior, was second in the 100 yard dash was the 100 yard dash. That was a good race was generally acknowledged for the last 100. Emma Tugwell, who was behind Seymour at the finish and took second place.

Seymour Roper, a junior, was high jump man for the day. Sidney ran 54.54 last year and this year he ran 52.54. "That's my last one" he said.

Some girls had been in individual scoring masters, having 22 points. The other was led by Bob Thomas, a freshman, with 21 points.

Rules Given for Church Etiquette

By Joyce Blackburn

No doubt you have studied Emily Post from cover to cover but there are a few things I would especially like you to remember. I am briefly stating eight rules to be observed when you begin to think of going to church.

1. Come. Never miss a service unless absolutely necessary. Don't allow company to keep you away. Bring them with you.

2. Come early. Rushing into church the last minute is not conducive to true worship. Come early to get into a worshipful mood.

3. Find a seat near the front. Leave the rear seats for last comers.

4. Bring your hat, rubber, and device. You can use your hat in worship—no to visit or sleep.

5. Be conscious of the comfort of others. Don't arrive at an hour when the one right in front of you has plenty of space.

6. Give your undivided attention to what is being said. Do not whisper, whisper, or talk to someone else that that will attract the attention of others.

7. Remember that strangers are guests of the church. Treat them with some courtesy as if they were visiting in your home own.

8. Never look for the door after the benediction. As though the house went on fire. Be friendly, and get acquainted.

Looking 'em Over

By Edwin Scurry

Well, the freshmen beat the juniors by one point and up our predictions. The juniors fell surprisingly to the seniors, as follows: Bob Treadwell, Arnold Shaver, Cole Campbell, and Tommy Love were not to be denied. Despite the fact that Sidney Roper, a junior, would not beat his peers in 108, he did it. Since 10,772 points were scored on 37 points, these fellows led the way to the finish line.

At the end of the day I thought that Harding College's Track and Field team would change for the better. How does this combination sound?

-Colin Campbell, Tommy Shaver, Colis Campbell, and Tommy Love... led the way当日

Shaver, Colis Campbell, and Tommy Love scored 37 points, these fellows led the way to the finish line.

On 108, Edwin Scurry, a junior, won a new Harding record for the 440-yard dash. His time was 54 seconds. The previous record was 55 seconds and he broke it with ease.

Nealy Watson was the whole show for the seniors. Nealy scored 21 points, which gave him second place honors in individual standing. Some say that in the final subdivision "it should be opened for freshmen, sophomores, juniors, and Nealy, and Nealy won on 108, Jimmie Game, 106, Kermit Ary, 105, Cole Campbell, 194, Edwin Scurry, 192.

Texas Club Entertains Dates Friday Night

Sonatas of "Texas Our Texas" opened the spring function of the Texas Club held in the gymnasium last Fri.

The event was typified by talent, music, and Texas flavor sprinkled around the campus in the middle of the room. Around this campus gathered the group of Texans and their "foreign" friends telling jokes in the typical ranch-like way. The games they played included a treasure hunt which started in the gym. After searching in every imaginable spot on the campus, the group gathered for the final event, where they found the treasure box on the front exterior of this campus. "How foreign people are always being Texan-hatted!" For refreshments coffee and ice cream were served. Then after an evening on the plains of Texas the group shared the party with the song of "Beautiful Texas."

Those who attended the party were Elmo Franklin, Dorothy Ford, Sonny Sears, Dot Davidson, Wyatt Sawyer, Christine Neal, James Willett, Geraldine Young, Tommy Love, Ramin Dothart, Harold Doer, Ben Joe Taylor, Cole Campbell, Diamond Perkins, Royce Murray, Harold Williams, Ann Seaborn, Mr. and Mrs. O. R. Perkins and Mr. E. R. Stipes, their sponsor.
