Dear Mr. Chalk:

We have received your letter of the 11th of September advising us that you will have to withdraw from part time assistance with us. We are truly sorry that this is necessary, but can fully appreciate the busy schedule you have before you.

Bear this in mind, however, any time you feel that you can recommend our services to any church in your area, and we are successful in securing the business, we will still pay you a "finders-fee" of 5% of the gross fees of our Company for that particular job. Just be sure and let us know when you have put anyone in contact with us so we will know that you have some money coming.

We do appreciate your efforts in our behalf up to this time, my only concern is that we were not able to visit with you a little more, but the span of miles made that quite impractical.

May we wish you the greatest success in your work of carrying the Gospel to those who will be fortunate enough to have ears to hear and eyes to see.

Sincerely yours,

HAROLD E. TAFT, JR.
President
