Dear Friends,

Altho we are a long time in saying so, we are so happy that you plan to come and live with us. we trust your work will be successful in every way and please know at all times that we are willing and ready to help in any way we can.

Your meeting gave us such a lift that all are looking forward to your coming.

We have been fortunate in securing very able preachers each Sunday. We always look forward to Bro. Goodpasture's coming. The Sunday he was here we were in New York but we hope to have him with us again.

See, we have heard such nice things about you that we are anticipating your coming with pleasure.

your friends,  
Edwena and Dr. Cummings
