The intramural basketball season is well under way and contrary to the old idea of some we say watch out for the Mandys. The Persians finally won 44-36.

It was a good game with Hodge for Friday after noon the undefeated Lions played an unusually fine game to gain the first half crown by 38 for the Persians. A. Richmond scored 17, K. Smith, 13, and D. Kelley each took 2 for the Persians.

C. T. Tipps led the winner with 20. E. J. Rainey scored 11 for the winners.

The second half champ was High-Sophomores.

A Rainbow of Colors

IN SWEATERS

The idea of some we wish these fashions.

They have discovered some ball players during the recent games and will have a team far superior to the one that played in the first half.

The Persians have been given a bye to the finals which will make it a lot easier on some team but is not showing much consideration to thePersians. However, we are not questioning the wisdom of the move as it affects the teams at a whole. At any rate the games will be good with the junior holding a slight advantage.

The over all championship in basketball was the complete winner of years in the Galien. Hereafter they had trailed until the final quarter in all of their games, only to come from behind to win. This was different, they held a slight lead throughout the first three and half quarters of the game only to lose it and the championship in the final seconds of play. They displayed their usual courage for the last few seconds.

Jos Pryor led the winner with 30 points. James Gone led the Persians with 22.
